Centennial Wild West Rodeo Show Will Appear In Stirling

To Be Held North of the Village, Wednesday, Night August 30th, Rain or Shine

There are many rough and dangerous events in a Rodeo — the Trick and Fancy riding looks less dangerous than most anything, but it has its hazards and many of them.

The cowboys and cowgirls who take part in the trick and fancy riding events are the real experts of the saddle. Through long practice, added to great natural gifts for riding, they have developed tricks in riding which challenge the best efforts of circus riders. Many of the country's best trick and fancy riders will appear with THE CENTENNIAL WILD WEST RODEO at Stirling, on Wednesday, August 30th, at 8:00 p.m., 1 mile north on Highway 14. The show will go rain or shine, and is sponsored by Ted's Tack Shop, Stirling.

In order to develop these tricks, a thorough understanding between horse and rider is necessary. The horses which are ridden by these experts are highly intelligent animals which have undergone a long course of training.

These cowboys and cowgirls have learned riding in the great school of open spaces. There, too, they learned how to handle horses — how to subdue the most fiery mounts, and how to train horses of more tractable disposition.

Each rider has thought out and developed "stunts" of his or her own, which give variety to the trick riding. These tricks are rated, not on account of their difficulty, but because of the ease and grace with which they are performed.

Newlyweds Honoured At Wellman's

On Friday evening, July 21st, the families from Wellman's gathered at the Orange Hall to honour the recent newlyweds, Mr. and Mrs. Jim Johnston.

Presentation to Mr. And Mrs. J. McInroy

Last Tuesday evening, a large crowd of friends and neighbours gathered at the home of Mr. and Mrs. John McInroy for a presentation before their departure to reside in Stirling where they have purchased a home.

Mr. Barton Haggerty was chairman for the programme. Community singing was led by Mrs. Grant Richardson, with Mrs. L. Sills at the piano. Mr. Mac Sables gave a reading. Duets were sung by Mrs. Don Thompson and Eddie, and Margaret Sills and Janet Donnan. Mrs. Goldie McInroy sang two solos and the Richardson boys played piano solos. Mrs. M. Donnan and Mr. V. Richardson spoke briefly. Mr. Grant Richardson read an address, expressing the sentiments of the community and church on leaving the community. A studio couch and flower stand were presented and "For They Are Jolly Good Fellows" was sung.

Mr. and Mrs. McInroy replied and thanked everyone for the gifts. Lunch was served and a social time was enjoyed.

OF MANY THINGS

By Ambrose Hills

HENRY AND ME

If Henry Ford glances down occa-
sionally from the blue vaults of Hea-
ven, I'm sure he'll take a second look
at Greenhorn Farm, and smile the
broadest smile of any angel among
the heavenly hordes. My front mea-
dow, and my middle pasture no longer
present a straggly, weed-infested
picture — they've been mowed.

You've guessed it. This greenhorn
farmer finally convinced the family
and himself that we could afford a
tractor. It arrived with a little fan-
fare, too. Mr. Don Lynwood, who is
the Ford tractor man in British Col-
umbia, came along when it was de-
livered. He, too, had been reading
this column. For some strange rea-
son and he wanted to be around when
I piloted that little Ford tractor into
my meadows for the first time.

I love it like a brother.
After a few turns around the mea-
dow, watching the weeds go tumbling
down, I came back to the yard, and
Nora brought out the camera to take
a picture of me breaking the hoe
over my knee. I may never touch
another hoe or swing another scythe
as long as I live! The place for my
tired old bottom is on the soft seat
of that tractor, and that's just where
I propose to settle it most of the
time.

We had fabulously wonderful
weather in June, with long days of
unbroken sunshine. My neighbour,
Gerry Brooks, made hay and the
aroma drifted our way, turning me
green with envy because our pas-
tures will take a great deal of care
before they'll yield a crop like his.
We'll manage it though, now that I
have the proper equipment.

And I am getting wonderful help

and advice from the department of
agriculture. They seem very patient.
I haunt their offices in Cloverdale,
ask crazy questions by the hundreds
but they keep answering.

Farming is such a busy life, so in-
volved and thrilling, that we've not
yet managed to take in Expo 67. Our
daughter, though, lives in Montreal
and writes us long, enthusiastic let-
ters about it. If we had unlimited
funds, we could fly down and still be
back in time to keep the beans and
peas weeded, but they couldn't be
left for long. They are just holding
their own, even with my help.

But school is now out, and perhaps,
somehow, we'll manage the trip in
shifts. Wish us luck.

New Name For Well-Known Co.

Something's been added to CIA,
Co-operators Insurance Association—
a G to represent Guelph, the location
of the Association's head office. The
Associations' casualty and life insur-
ance companies will continue to be
known individually by their familiar
names CIA and LIA LIFE. Collect-
ively, they are now Co-operators In-
surance Associations of Guelph, or
CIAG INSURANCE.

As the new name appears, it will
be associated wherever possible in a
design with the map of Ontario.

Changing the name on stationery,
billing forms, advertising materials
and office signs will take some time,
of course. CIAG has a quarter of a
million policies in force and 44 offices
across the province. The Associa-
tion is sponsored and controlled by
democratic organizations which
represent a million Ontario people:
Ontario Credit Union League, Onta-
rio Federation of Agriculture and
United Co-operators of Ontario.

Incidentally, CIAG is easy to say.
The letters are pronounced individ-
ually: see - eye - ay - jee.

Mason — McGee Wedding

Rev. F. F. Downing officiated at the wedding ceremony in St. John's Anglican Church, Stirling, Friday, June 30, at 7 p.m., when Joyce Irene, daughter of Mr. and Mrs. Frank McGee, Harold, was united in marriage to Garry Allen Mason, son of Mr. and Mrs. Murrey Mason, Spring Brook.

Traditional wedding music was played by Bill McArthur, who also sang "O Perfect Love" and "The Lord's Prayer".

Given in marriage by her father, the bride wore a full-length gown of white crepe in empire style with lace bodice and long lily-point sleeves. A crown of seed pearls held in place the four-tier scalloped veil. She carried a white Bible crested with yellow roses and cascading streamers with yellow rosebuds.

Mrs. Edmund Fleming, the matron of honour, wore a mint green gown in the empire style, with lace bodice and three-quarter length sleeves. She wore a mint green self bow headpiece with scalloped veil, white accessories and carried a cascade bouquet of yellow and white 'mums. The bridesmaids, Miss Patricia Clapp and Miss Sheryl Cretney, niece of the groom, were dressed in yellow, matching the matron of honour's ensemble. They carried bouquets of green and white 'mums.

The groom was attended by Edmund Fleming and the ushers were Eugene McGee, brother of the bride, and Jack Donnan.

The reception was held in the Parish Hall. The bride's mother, wearing a coral sheath dress with blue and white accessories and a corsage of white carnations, greeted the guests. Assisting was the bridegroom's mother, attired in a blue crepe dress with guipure lace coat, matching accessories and a corsage

of pink carnations.

Previous to her marriage, Joyce was honoured at several events: A miscellaneous shower, given by Miss Patricia Clapp, Belleville; a presentation of a lovely clock and a box of recipes by the ladies of the community at the home of Mrs. Orval Jackson, Harold; a surprise miscellaneous and pantry shelf shower at the home of Mrs. Edmund Fleming, Stirling, with Mrs. Jack Hall and Mrs. Fred Palmer, co-hostesses; a presentation party by the staff of the Bank of Montreal, Belleville, where the bride is employed.

A stag party was held for the bridegroom, at which time the honoured guest was presented with a purse of money. A presentation was given by the Ontario Hydro, Belleville, where Garry is employed.

Funeral of the Late Mrs. George Snarr

Mrs. Myrtle Snarr, widow of the late George Snarr, passed away at her home, 38 Booth St. North, Campbellford, on Monday, July 17th, after a short illness. She had been a resident of Campbellford for the past six years.

The late Mrs. Snarr was a native of Sidney township, though the greater part of her life was spent at Harold and Hoards Station. She was the daughter of the late Mr. and Mrs. John H. Cooke.

She is survived by five sons, Harold and William, of Campbellford; James and Carl, of Hoards and Gordon, of Kingston; five daughters, Mrs. John Pearce (Phyllis), Mrs. Jack Haig (Marion) and Mrs. Lindsay Finch (Marjorie), all of Campbellford; Mrs. Howard Jones (Fern), of Cobourg; and Mrs. Harold Geen (Marie), of Thomasburg; five sisters, Mrs. Wm. O'Shea, Stoney Creek; Mrs. Pete Pomeroy and Mrs. Wm. Nelson, Trenton; Mrs. Leslie Lee, Burlington; and Mrs. Ed. Patzalak, of Grimsby; two brothers, Everett Cooke, Stirling, and Charles Cooke, Whitby; 33 grandchildren and one great-grandchild.

The funeral service was conducted Wednesday afternoon by Rev. Gordon Whitehouse at the Bennett-Weaver Funeral Home, Campbellford.

The pallbearers were Chas. Hoard, Don Brown, Frank Heagle, Carman Gunning, Ray Williams and Everett Parr. Flowers were borne by Keith, Doug, and Maurice Clancy, Doug, Sharp, Glen Curle and Mike Milne.

Interment was in Wellman's Cemetery.

A Letter To The Editor

Some little time after I came to Stirling, I purchased a house and lot on which I pay a large amount of taxes and try to keep clean and respectable, but have had to cut weeds in front of my place and at the back of it. When I owned property here on another street, I had to pay for some one to cut weeds on that property, as it was added on to the tax bill. Why should I have to cut these weeds just to keep my own place clean.

I have been trying to get some Manitoba small trees cut in front of my house for over two years. But all I have ever got are promises. If it is not possible to cut trees on private property, how come firemen went in onto private property and cut trees without even notifying the owner of the property. We are tired of looking out of our window at weeds, scrub trees and an ever-growing pile of manure.

A Disgusted Taxpayer,
Clifford Clancy

The National Farmers' Union Board Meeting was held in Barrie in July.

The next meeting will be held on August 8th at the home of Mr. and Mrs. James Spry.

Roy Shortt thanked Mr. and Mrs. Acker for the use of their home. The ladies served lunch and a social time was spent.

Alan Meiklejohn Elected High Position

Alan Meiklejohn, principal of Barton Secondary School, Hamilton, has been elected the only teacher-representative on any Ontario university senate.

He will represent the Ontario Secondary School Teachers Federation on the senate of Waterloo University. The teacher-university tie comes about because Waterloo is the loca-

tion of the OSSTF summer upgrading courses for teachers.

Mr. Meiklejohn was described by a colleague as an "articulate, creative, thinking man who will bring a fresh, active interest to this position."

He was elected from a slate of six Ontario principals by OSSTF district executive members.

Mr. Meiklejohn was educated in Stirling, Kingston and Toronto and went to Hamilton in 1954 as English head at Hill Park Secondary School. He moves to Delta Secondary School in September, and is chairman of the Hamilton Headmasters Association.

Mrs. Stewart Hoover led in the worship service. Her topic for meditation was "Learning to Achieve and Practise Things of Lasting Value".

with Mrs. C. Sine, Mrs. W. Heath, Mrs. W. Kellar and Mrs. K. Sine taking the Scripture verses.

The roll call was answered by each member giving her favourite hymn. Four birthday fees were paid.

The financial report of the Centennial Day and the School Board dinner was given.

There will not be an August meeting and the September meeting is to be held in the Minto Community Hall.

The October Rally is to be held at Bethel Church on October 16th, with afternoon and evening sessions.

Mrs. George Sine then presented the Bethel U.C.W. with a cheque from the Salem U.C.W.

A piano solo was given by Mrs. V. Hagerman and the meeting was closed with the Benediction.

A delicious lunch was served by the hostess and her assistants. Mrs. Murney Johnston voiced the appreciation of the group.

electric water heater
can have its finest hour

Seven-year-old socialites have a way of leaving more than a gift at a party: ever been stuck with a tuffi-frutti-topped tablecloth?

These are the times a Cascade 40 can really win you over. It provides all the hot water you need to suds up a strawberry-speckled party dress, its chocolate-cheeked owner, and the pile of party paraphernalia you'll be left with.

A Cascade 40 electric water heater may not make the party... but it could save the day. For more information, ask your Hydro.

Presentation To Newlyweds At River Valley

On Saturday evening, July 29th, a presentation party was held at River Valley School in honour of the newlyweds Mr. and Mrs. Glenn Bennett. The bride was the former Lois Clarke.

Jack Bush was master of ceremonies and Miss Jane Bush was pianist. All enjoyed a sing-song of sentimental selections and Negro spirituals.

Selections were read by Mrs. Roy Bush, Mrs. Ralph Utman, Mrs. Ernest Carr, Mrs. Hadley Richardson, Mrs. Percy MacMullen and Miss Adeline Bush.

Mr. Harry Jefferies provided piano music and conducted a game.

The bride and groom, attired in their wedding clothes, were given seats of honour. The bride also wore a corsage of pink carnations and the groom a boutonniere. Mrs. Jack Bush read an appreciative address which welcomed Lois to the community, as they have purchased a home in the Valley. Glenn has been the teacher at River Valley School for the past three years and has made many friends in this area.

On behalf of the River Valley community and other friends in the surrounding area, a presentation of a desk, chair and lamp was made by Messrs. Glenn Morrow, J. R. Donohoe, Miss Adeline Bush and Mrs. Douglas Pyear.

Glenn and Lois voiced grateful thanks for the lovely gifts and invited the group to visit them in their new home.

The guests at the party included the bride's parents, Mr. and Mrs. Morley Bennett, of Burnbrae.

The ladies served refreshments and the bride and groom passed a slice of wedding cake to each guest.

Last week when the newlyweds returned home from their wedding trip they were tendered a charavari party at their home with a large group in

attendance to welcome them to River Valley.

River Valley W.I. Holds Swimming Awards Night

On Tuesday evening, July 25th, over one hundred children, parents and other friends convened at River Valley School for the annual "Awards Night" programme sponsored by the Institute.

The president, Mrs. Glenn Bush, was in charge and she introduced Mr. Jim Cleland, the instructor at The Kinsmen's Swimming Pool, Belleville.

Mrs. Ralph Utman and Mrs. Glenn Brooks conducted the sing-song. Mr. Cleland introduced his assistant, Mrs. John Seldon, and they presented the following awards:

Leading up to a Red Cross award—Cindy Faulkner, Linda Beswick, Bryon Hubble, June de Haan, Keith Brooks, Valerie Paro, Beverly Bush, Judy Tucker, Lloyd Breau, Gary Utman, Terry Bush, Wayne Breau, Trudy Bush, Jane Richardson.

Advanced Beginners—Jane Richardson, John McDonnell, Mark Dobson, Jeff Farrell, Grant Carr, John Bush, Mary Bartels, Mort. Foshay, Shelly Farrell, Marlene Foshay.

Leading Up to Junior Awards—Susan Bush, Joyce Carr, Kelly Dobson, Nellie Bartels.

Junior Awards—Judy Bush, Judy Donohoe.

Intermediate Awards—Bruce Beswick, Carol Vandervoort.

Advanced Training—Donna Farrar, Jane Bush, Douglas Faulkner.

Mr. Cleland, in his address, said he was very pleased with the progress of the children. He stressed that awards must be earned in order to be valuable to the individual.

A film on "Water Safety" was presented with Jack Bush in charge of the projector.

The Institute provided Tadpole Badges for the beginners and Mrs. Jack Bush made the presentations, as follows:

Beginners—Sherry Farrell, Karen Wood, Frank de Haan, Anne Pulver, Cindy Foshay, Rebecca Pulver, Rodney Bush.

Mr. Cleland stressed these points: Never make contact with a drowning person. He may take your life. Never act foolishly in the water or in a boat. To become a swimming instructor, the applicant must be sixteen years of age and take leaders' courses at the Kinsmen's Pools, at

Trenton, Peterborough or Toronto. The instructor also outlined the proper method of mouth to mouth artificial respiration.

Mrs. Glenn Bush and Mrs. Jack Bush expressed gracious thanks to Mr. Cleland for the interest he has taken in the children for the past three years. In 1968 he will be going to Oakville to set up a new Centennial Pool programme.

The Institute Treasurer, Mrs. J. L. Donohoe, reported 184 dollars as proceeds from the barn sale, 180 dollars as fees paid by the children; a total of 364 dollars. The expenditures were 194 dollars for the Kinsmen's Pool, 150 dollars for bus transportation and 20 dollars for wieners and buns, etc., for awards night.

At the close, the group enjoyed refreshments on the lawn. The members of River Valley Women's Institute have completed another successful swimming course for the children, grandchildren and other children in the Valley.

Descendants Pioneer Nehemiah Hubble, UEL, Annual Reunion

(By Mrs. Percy MacMullen)

The Eighteenth Annual Centennial Reunion of the Hubble Clan was held on Sunday, July 23rd, in Frankford Community Hall, with thirteen families represented. Relatives were in attendance from Oshawa, Foxboro, Belleville, Hastings, Wooler, Marmora, Frankford, Harold, Stirling, Glen Ross and Carmel and there were two visitors.

Previous to the dinner, the president, Mrs. Percy MacMullen, gave the invocation and extended a welcome to all.

The collection of thirteen dollars was gathered by Sid Demorest and will be used to pay for rental of the hall, invitations and prizes.

Mrs. Clifford Hubble distributed the prizes by numbers and the winners were: Ladies—Mrs. Cecil Hubble, Foxboro; Mrs. George G.

Montgomery, Frankford; Mrs. Ross Hubble, Wooler. Men—Arthur Pyear, Glen Ross; a visitor, Jack Shortt, of Sidney Township and Harold Johnston, Carmel.

The children were treated to bags of potato chips. A card was signed for a member who is ill in hospital.

The president opened the business period with a moment of silence for all deceased members, who included Elton Hubble, Campbellford, who served as president for two years, 1960-1961, and Clarence Neil Hay, Belleville. She read a poem "God Cares for You".

She said in her message that "Today we are honouring Nehemiah Hubble, who came to Hubble Hill, Mount Pleasant, Rawdon, in 1784 and we also pay tribute to the late Lorne and Luella Hubble, Frankford, who instituted the first reunion at Presqu'ile on July 23rd, 1950."

She thanked everyone for their cooperation during the past three years that she has served as president. She also expressed thanks on behalf of herself and her husband for all the personal calls, cards and gifts received in September, 1966, on the occasion of their Golden Wedding anniversary. Thanks was also expressed to Mrs. Arthur Pyear for her assistance in mailing the one hundred invitations.

The Secretary, Mrs. Russell Pyear, Belleville, R.R. 3, read the 1966 minutes and gave the financial statement.

Sanford Hubble, Belleville, who is 87 years of age, spent part of the afternoon with the group. He was accompanied by his son, Lawrence Hubble and grandchildren.

Russell Pyear spoke briefly and conducted the election of officers. All were re-elected to office, as follows:

President, Mrs. Percy MacMullen, Stirling, R.R. 3; Vice-President, Clinton Hubble, Amherst View; Secretary-Treasurer, Mrs. Russell Pyear, Belleville, R.R. 3; Corresponding Secretary, Mrs. Arthur Pyear, Frankford, R.R. 3; Prizes, Mrs. Clifford Hubble, Frankford, R.R. 3.

The 1968 reunion will be held the

4th Sunday of July in Frankford Community Hall.

Cards of greeting will be forwarded to Mrs. Everett Hubble, who is ill in Belleville Hospital; Edward Montgomery, Hastings County Manor, Belleville, and Mrs. Horace McMurtter, Trenton.

The group enjoyed a social hour of conversation and reminiscences and thus closed another Clan Reunion.

Campus Site Decision Due In August

The site for the Quinte area community college may not be decided for another few weeks.

D. R. Fraser, of Trenton, chairman of a sub-committee scrutinizing property for locating Loyalist Campus of the Ontario College of Applied Arts and Technology, said a decision may be made in "the latter part" of August.

The final report of consulting engineers, now running tests on sever-

al sites, will be completed about Aug. 18, Mr. Fraser said.

"It may be a week to 10 days after receipt of the report before a decision is announced," he added.

Mr. Fraser's committee originally had about 18 proposed locations to investigate.

However, the choice early was narrowed to six of the more likely sites, although investigating even this small number is time-consuming, Mr. Fraser said.

The committee's work ranges from the aesthetic to the earthy. The physical environment of the campus must be considered alongside a myriad of mundane matters from subsoil to sewage.

Meantime, the campus is readying for its initial opening this September at Centennial Secondary School, Belleville.

Temporary quarters can be leased at the school for two years.

At the end of that time, the college board of governors hopes to have a building constructed to house students as enrolment grows.

Western Day Will Again be Feature This Year at Stirling Fall Fair

Local Merchants Plan For Various Activities to Help Boost Patronage of Fair

Stirling Fair Day is only a few weeks distant — September 2nd. The Directors are once more hard at work making plans for the show, in an effort to give the customers of the Fair the very best possible kind of exhibition. Certain changes in the programme and prize list which will make a better Fair are planned.

Local Merchants Planning Activities

Local merchants, in conjunction with the Chamber of Commerce, are planning various attractions and activities in connection with Fair week. Plans call for the designation of Centennial celebrations. It is also hoped that all merchants will co-operate and change the appearance of the business section into an authentic Centennial atmosphere.

The venture last year proved very popular with Stirling and district residents and it is hoped to be even more interesting this year.

Plans are underway to appoint a Deputy-Sheriff for the week, who will assess small penalties to merchants and others who run afoul of the "law".

The week prior to the Fair, a special edition of the News-Argus will be published, listing all of the special offers by local merchants during Fair Week. An extra 1,000 copies of this edition will be published and will be distributed to non-subscribers in the trading area.

Draw For Pony

A highlight of Fair Week last year was the free draw for a pony. This event will again be held this year. Participating merchants will have free tickets which will be given with every purchase during Fair Week. This year, a number of prizes, donated by various merchants will also be drawn on the Friday night of the Fair.

Western Games Planned

Ted Cairns, of Ted's Tack Shop, will again be in charge of the Western Games programme for horses at the Fair. This event proved very popular last year and it is expected that there will be a much larger entry of horses for this year's competition.

Some of the contests in the Western Games consist of reining contest, trial horse event, barrel racing, flag race, pole bending, saddle-up race, pony express and quarter mile race. Several new events are also planned for this year.

Parade Planned

A Centennial Parade is also being arranged for Saturday morning of the Fair — September 2nd — from the Fair Grounds to the business section. This event is scheduled to commence earlier than last year and to date several organizations and merchants have intimated that they would be entering a vehicle in the parade. Numerous clowns and other walking personnel will also be in the parade.

Entertainment

Jack McCaughen will again look after procuring talent for the grandstand entertainment and the hiring of a name band for the dance at night.

Midway

A good midway has been signed to a contract and will provide excellent rides and concessions for Fair patrons.

Circle Saturday, September 2nd, on your calendar and make a special effort this year to attend Stirling Fair.

Just Leaked Out

The Senior Citizens' picnic at Oak Lake, recently, was enjoyed by about twenty. After the eats, they engaged in an unusual sport — dodging water from the sky. No one got wet but the Fred Heasman has had to resort to Fair the very best possible kind of exhibition. Certain changes in the programme and prize list which will make a better Fair are planned.

President Geo. Heasman informed this scribe that he and brothers Fred, Harry, Jim, and nephew, Dennis, are leaving for the west coast on August 17th. Pres. George is usually a lady's man, but this time he's a "He-Man".

Our Vice-President left last week on another holiday. (She gets around.) Secretaries Fred and Dorothy Bell were too warm to assume the press duties, and no wonder. After conquering the Atlantic's waters twice and the Irish Sea both ways, they discovered when they got home that Fred couldn't control his own water. He asked Dorothy to pick up a 3-inch pipe plug. The lady clerk asked, "What kind of plug do you want — male, female or both?" Dorothy, flashing her best smile, replied: "Whichever it takes to stop a leak in our pipes — We're not planning to raise them."

Former Centre Hastings Softball League Holds Reunion at Ivanhoe

A Centennial event of interest took place Saturday, July 29th, at Ivanhoe when team members of the original Centre Hastings Ball League reunited for an afternoon of ball games and visiting, and climaxed with a banquet in the evening. These were the teams that competed for the Hon. J. R. Cooke and Rourke Ferguson trophies in the 1930's and these trophies were on display at the banquet.

It didn't take too long in the afternoon for the "boys" to find out they weren't as young as they used to be, although for brief periods, some flashes of the former skills were evident. Teams comprising the League at that time were: Ivanhoe, Fuller, White Lake, Minto, Evergreen, West Huntingdon and Thomasburg. Guest speaker for the evening banquet was a former Ivanhoe ball player and district minister, Rev. Sam Delve, now of Kingston, who was in rare form among his former friends and associates. Mr. Delve was introduced by Lorne Hagerman and thanked by Norris Thomlinson. Chairman for the occasion was Don Rodgers, Reeve of Stirling, a former Evergreen player.

A memorial service for deceased players of the former League was conducted by the Rev. O. Wagar with Leslie Adams assisting. Kenny Bronson, soloist, Howard Kellar, musical selections, and Mr. Burton Morton, with readings, provided some excellent entertainment.

The reunion, as a Centennial event, was instigated by Mr. Frank Palmer, Bannockburn, who enlisted the aid of several former players, such as, Leslie Adams, George Sine, Lindsay Tanner, Charlie Irvine, Cecil Woods, Ken Holland and others to make the occasion a memorable one for all.

Many former players and fans expressed sentiments during the bountiful dinner, served by the Ivanhoe W.I. and after joining hands and closing the day with Auld Lang Syne, all left for home, happy, stiff and sore.

River Valley Women's Institute Hold Centennial Day Programme

Held At The River Valley School House On Thurs., Aug. 3rd — Well Attended

(By Mrs. Percy MacMullen) On Thursday afternoon, August 3rd, despite a high temperature of 81 and excessive humidity, ninety-six women and children and a few men gathered at River Valley School House for the Institute Centennial Day programme. The guests were welcomed by President Mrs. Glenn Bush and a Life Member, Mrs. John Kane.

Mrs. J. L. Donohoe was financial secretary and a basket bought from the Indians over one hundred years ago was used to hold the money. Mrs. Percy MacMullen was in charge of the guest book and almost two hundred signatures were written during the two sessions. A large number of people attended both afternoon and evening but their names were written only once. The visitors' book was a gift to River Valley W.I. in 1954 from their link Institute, Abbotts' Leight in England and is used on special occasions.

Twenty-four members of River Valley W.I. were in attendance and most of them wore their Centennial costumes, depicting styles of long ago. Several former members were present on this occasion.

The distinguished guests included Mrs. Gerald Irvine, President Hastings West District; Mr. and Mrs. Gerald Boyce and sons, Belleville, and Mrs. Egerton Boyce, of Hastings Historical Society. Mr. Boyce has recently compiled the Hastings Historic Record Book.

Seven neighbouring Institutes were represented: Bay of Quinte, Wallbridge, Chatterton, Pinegrove, Sidney South, Wellman's and Seymour East.

Fifteen places were listed in the guest book during the two sessions: Toronto, Oshawa, Fort Erie, Willowdale, Port Credit, Ida, Belleville, Madoc, Springbrook, Stockdale, Mount Pleasant, Carmel and Glen Ross, Halton, Stirling and River Valley.

Programme Mrs. Glenn Bush opened the programme of the afternoon with the Institute Ode and Mary Stewart collected. Mrs. Ernest Carr read the letters of greeting.

Mrs. James Hoard, Mount Pleasant, a former resident of River Valley before her marriage to Miss Mary McDonnell, sang two vocal selections, "Just For To-Day" and "This Is My Task", with her daughter, Jeannette, as accompanist. Mrs. Percy MacMullen read the old poem "Rocking Alone in an Old Rocking Chair", with Mrs. Roy Bush depicting "the old Mother". Mrs. Jack Bush introduced the humorous skit, presented by seven members.

Mrs. Philip Conley gave a piano medley of old songs popular in the early 1900 period.

Mr. Walter Lindenfeld demonstrated to the younger generation how a cradle was used to cut the grain by hand before the reaper was invented. He gave a very interesting account of this particular phase of farming.

Mrs. Percy Hubble, Stockdale, a former member of River Valley W.I., sang, as her first number, "The Old Folks Are Gone". This piece is over one hundred years old and has been handed down through the Clancy generations. Her second selection was modern, "They All Call It Canada, But I Call It Home". Mrs. P. Conley was her accompanist.

The closing number on the programme was two poems by Mrs. Percy MacMullen entitled "The Old Brindle Cow" and a poem written at the turn of the century, entitled "Pioneers". This stated that when mother made a cup of tea, she built a fire.

The group was then served an old-fashioned lunch of muffins, tea cakes, biscuits, pickles and cheese, etc. The 4-H Club girls and a few others were in charge of the serving. Those on duty in the kitchen included Mrs. Jack Bush, Mrs. Alex Bush, Mrs. Ross Bush, Mrs. Ed. Heasman, Mrs. Charles Wilson, Mrs. Roy Irwin and Mrs. Norma Rosebush.

Letters Read

Letters of greeting from former members were read by the Secretary, Mrs. Ernest Carr, as follows: Mrs. T. K. Franklin, Belleville, who spent two happy years as teacher at the River Valley School. Bessie's letter

Stirling Horticultural Society Enjoys Bus Trip To Midland

On Monday, July 24th, 37 members and friends enjoyed a bus trip by Franklin Coachlines to Midland via Collingwood, where a stop was made for a picnic lunch, after which the Blue Mountain Pottery was visited where many different processes were shown in the making of this lovely ware.

Then on to Midland and the Huron Village, which is a reconstruction based on the results of the excavations of Huron Indian villages in the district and on the written records of the first white men who visited them. From there they went to the Martyr's Shrine, which is Canada's national shrine to the North American Martyrs and stands a hill north of Sainte-Marie.

Included reminiscences of those days. She was unable to attend as they were on vacation to the West Coast. Mrs. Lucy E. Boulton Oldfield, North Bay, a 1913 member, who was unable to be in attendance said she would have enjoyed to meet old friends as it was the occasion of her 70th birthday anniversary.

Mrs. Bill Adey, Belleville, who was unable to attend, sent a donation and a message, hoping old members and new would all have a wonderful time. Helena was a member in 1937.

Mrs. Carr read a poem entitled "One Life", by Patience Strong.

Stirling Women's Institute

The August meeting was held at the home of Mrs. Foster on August 3rd, with a small number in attendance.

The President, Mrs. Clifford Clancy, opened the meeting in the usual manner. Roll call was answered by "Methods of Food Preservation".

A small amount of business was attended to and Mrs. B. Reid gave an interesting paper on "Home Economics, based on housekeeping and home aids of a hundred years ago. Such as, a new born baby was washed with brandy and its navel covered with mutton tallow with nutmeg grated over it. A child with scarlet fever was completely covered with lard. One with diphtheria were sliced onion with his socks and a strip of salt pork around his neck and gargled with cayenne pepper and vinegar.

The preferred cure for whooping cough was grated horse radish on the feet. The small pox cure was simple — a drink of cream of tartar and cold water, 3 or 4 times a day. The

remedy for backache was to tie on slices of raw beef and discard as it blackened and if your corns bother you, try a slice of cranberry or slice of lemon on them for three days.

Our first pure food laws were enacted in the 1870's, so Grandma had to know a good many other things as well as home remedies to keep her family healthy. It was up to the housewife to check an egg for freshness; cocoa for brick dust; bread for alum and tea for currant leaves. She also knew how to tenderize meat. Burying the roast in a pit outside the back door overnight was sufficient.

Corsets were sold on very friendly terms. Wear them for three weeks and if not satisfied, return them and get your money back without question. Those were the good old days?

Mrs. C. Hicks gave some interesting items on their recent trip to the East coast and showed pictures collected on the way.

Mrs. Foster read a paper of suggestions on how the young folks could make life a bit pleasanter for the older folks.

Mrs. F. Smith gave two humorous readings: "Miss Edith Helps Things Along" and "The Groom Was Also There". Mrs. Foster conducted a contest.

The meeting closed with The Queen and the hostess and Mrs. Clancy served lunch. Thanks was extended to Mrs. Foster and all who helped make a small meeting an enjoyable one.

Honour Newlyweds At Wellman's

A large crowd of relatives, friends and neighbours gathered at the Wellman's Community Hall on Friday evening, July 28th, to honour Mr. and Mrs. Francis Sager (nee Sharon Matthews) on their recent marriage.

Mr. Charles Carter capably filled the position of chairman and he extended greetings of happiness to both Sharon and Francis.

Readings were given by Mrs. Jack Dunham, Mrs. Stuart Hoover and Mrs. Ken Tompkins. Miss Virginia Pollock gave a recitation. A vocal solo was contributed by Mrs. Gerald Russett, and Mr. Gerald Taylor and daughter, Beth, favoured with piano duets.

Rev. A. E. Toombs, from Burnbrae, entertained with slides of his travels in Jamaica. These were much enjoyed by all.

Mrs. Harold Linn then read the address, presenting the wide array of gifts from the Wellman's community and a set of china from the Burnbrae community.

The bride and groom very suitably replied, expressing their sincere thanks to all for the lovely gifts as well as to those who had contributed in any way toward the success of the shower.

They also extended a cordial invitation to all to visit them in Madoc. "For They Are Jolly Good Fellows" was then sung and the ladies served refreshments. A social hour followed during which the gifts were viewed.

THE BIBLE TODAY

We often use the phrase "Millions of newly literate," but it makes all the difference when we think of the millions as individuals.

"I couldn't read until I was seven-teen," said the African. "I hadn't even seen a book. Then, just as I had been initiated into the tribal rites

that made me a man and a warrior, while my job was still watching my father's cattle, I saw a cook's boy with a book. I paid him to teach me to read.

"The first book I read was Matthew's Gospel, at the end of a month's teaching. I had to pay for my own schooling, and I was almost eighteen when I first went into a classroom.

When I left school, I was twenty-six."

The man who was speaking was the Rev. John Mbogori, the new Methodist Chairman of the Coast District in Kenya. Before his appointment, he was for four years Assistant Secretary for the Christian Council of Kenya. He had been in Geneva, Britain and in Moscow, learning and

giving. Those who read today are leaders of tomorrow. Many learn with their first book as one of the Gospels. This in turn has a profound influence on their subsequent years. The above story is only one of a million. It comes from the Methodist Missionary Society magazine.

4,020 miles of area roads were patrolled during 534 working hours, in connection with the above.

During the past week, we had two reports of malicious damage, both occurred in the Village of Marmora, with over \$500.00 damage as a result. In connection with this occurrence it would be appreciated if anyone knowing anything about either of these would contact this detachment. Any information received will be treated as a confidential matter.

Following a recent announcement by the Honourable George E. Gomme, Minister of Highways, regarding recent amendments to The Ontario Highway Traffic Act, affecting Special Speed ones for highway construction areas —

Assistant Commissioner J. L. Needham of the Ontario Provincial Police, Traffic Division, announces the immediate enforcement of this new legislation.

Motorists can now expect to see official regulatory speed signs, at all highway construction sites on major traffic arteries throughout the Province.

RIVER VALLEY WOMEN'S INSTITUTE

A gracious "thank you" to all those who attended our Centennial on August 3rd. To those who loaned heirlooms for display and to all who assisted our Institute in any way with our Centennial effort. It was a very rewarding day. Thanks a million.

It is important to remember that the location of these signs and the speeds indicated, could vary hourly, as the construction zone progresses. It is therefore incumbent upon all motorists to be aware of the posted speed limits within the construction area and comply.

"These new regulations will be strictly enforced at all construction sites in the interest of safety and any violation could bring fines up to \$200.00 and license suspension up to 6 months."

MADOC DETACHMENT

July 23rd to July 29th:

During the week of July 23rd to July 29th, officers of the Madoc Detachment of the Ontario Provincial Police were kept busy with a variety of calls.

A total of 59 occurrences were investigated, 3 for theft, 2 requests for assistance and 54 miscellaneous occurrences.

40 vehicles were safety checked during this week, with 41 traffic warnings handed out and 17 charges laid for various Highway Traffic Act infractions.

There were eleven vehicle accidents, ten of a property damage nature and one personal injury accident, with three people sustaining injury, one of a serious nature.

Officers of our detachment spent 8 1/2 hours in Magistrate's Court, Madoc, Ont., and 31 convictions were obtained mainly for Highway Traffic Act offences. Magistrate T. Y. Wills, of Belleville, Ontario, was presiding.

THIS BOY NEEDS GUIDANCE

Drivers age 16 to 24 were involved in 74,500 accidents on Ontario roads last year—an increase of 12 percent over 1965. Fatal accidents claimed 660 lives in this group—an increase of 10 percent since 1965.

Yet statistics show that drivers who graduate from approved high school driver training courses have fewer accidents . . . far fewer traffic violations.

This year, about 275 Ontario high schools will have driver instruction courses approved by the Ontario Department of Education and the Ontario Department of Transport. These courses are under the control of the local school board and principal and do not interfere with regular school classes.

If there is a driver-training program in your school this fall, welcome it. If not, learn how your school can get started on this lifesaving program by completing and mailing this coupon.

CAREER TRAINING OPPORTUNITIES AT Loyalist Campus

SIR SANDFORD FLEMING-LOYALIST COLLEGE OF APPLIED ARTS AND TECHNOLOGY
LOYALIST COLLEGE, PALMER ROAD, BELLEVILLE, ONTARIO

"I am pleased to announce that when the terms opens September 11th, Loyalist will be the first College in Eastern Ontario to offer a course in Municipal Administration. The course is aimed particularly toward young men who wish to become assessors. To our knowledge, there are more than 1,000 openings for licensed assessors in municipal offices alone, and certainly a number of other rewarding avenues are open to professionally qualified people. Those who register now, and successfully complete the two years of academic work, plus one year of practical work, will qualify for their full Municipal Assessors Licence issued by the Department of Municipal Affairs."

J. K. BRADFORD,
President.

"My Division will offer the whole range of careers from secretarial training to three year diploma courses in business administration. Comprised in this range will be bookkeeping, accounting, I.B.M. equipment operation, office procedure, economics, investment maths, secretarial specialties such as medical and legal, and, depending on student applications, a host of others.

In the business community today, there is no limit on the goals to be reached by the well trained and broadly educated graduate of a community college. We hope that our graduates will be in the forefront of those taking up the challenges those goals offer."

J. GILBERT BURROWS,
Chairman,
Business and Applied Arts
Division

Grade 12 and 13 graduates and mature students 19 or over who have been out of school for a time: if you want career training as described above, comparable to anything available in any other major centers, fill out this form and you will be called for an interview.

AGE COURSE DESIRED

"This fall the Technology and Technical Division will offer the basic first year of the three-year Diploma courses in Technology. The first year is common to all technologies and specialization will commence in the second year (September, 1968) for the particular course selected by those completing their first year. Based on the present student applications, at least two specialized second year courses will be established in September, 1968 - Chemical Technology and Electronics Technology.

The first year of the two year Technician program will commence this September for the following technician courses:

Architectural Drafting
Mechanical Drafting
Electrical Technician
Electronic Technician
Tool & Die Making Technician

These courses should present a real challenge to Grade 12 and 13 students in the area. The rewards for successful completion are great in terms of the opportunities open to graduates taking positions in industry, governments, and institutions.

PAUL H. KING,
Chairman,
Technology and Technical
Division

"Applications for all courses should be made at the earliest possible date, as the College will have to make final decisions on a curriculum in the next few weeks. Interested students may call on me at Centennial Secondary School (Room 232) or telephone 962-9501 for an interview. Those students who are accepted will be asked for a \$10 deposit. This will apply against their total fees of \$100 per year for all the courses shorter than 3 years, and \$200 per year for the three year courses. Classes will be filled first from students who have paid their deposit in advance of registration day.

If prospective students have doubts about their eligibility or have other problems, they should, in fairness to themselves, come in and discuss it with me, or with Mr. A. H. McFarlane, who is in charge of Students Services."

District Meeting of Hort. Societies

That Horticultural Societies play an important role in the beautification of their respective communities, was revealed in reports given at the District Meeting held in Gananoque recently. Membership in the eight societies in district three exceeds 2200 while many times that number are inspired by the example of the Societies to join in the campaign to beautify the face of Ontario.

Societies in the district are at Gananoque, Brockville, Kingston, Napanee, Collins Bay, Belleville, Pictou, Stirling, and each reported an advance in membership and accomplishments inspired by Centennial year.

The first Horticultural Society was organized in Ontario more than a century ago, and today there are 242 in the province with a membership of around 45,000. Their record of accomplishment and leadership is being compiled by Mrs. Thelma Boucher, of Kingston, who told the gathering of nearly one hundred at Grace United Church, some of the interesting features of Horticultural Society work during the last 100 years. The Association had been responsible for Ontario adopting the trillium as the provincial emblem.

District Director, Phil Dodds, of Pictou, urged a continuous clean-up, paint-up and plant-up campaign. "Though there are many anti-litter by-laws on municipal records, few of them are enforced. Societies should seek to have councils revise them and

enforce them, and thus help get rid of unsightly old buildings, used car bodies and other unsightly things cleaned up," he said.

Officers of the Association were unanimously re-elected with Mr. Dodds as Director, Mrs. J. S. Shepherdson, of Kingston, and Mrs. Elsie Armstrong, of Stirling, as assistants and Mrs. J. McHarg, of Kingston, as secretary.

Major John Gilbert extended a civic welcome to Gananoque and the Society's welcome was extended by vice-president, Mrs. Gerald Scott. The Gananoque Society provided coffee and doughnuts in the morning and there was a picnic lunch at noon. A boat cruise through the Thousand Islands and a visit to the town's beautiful Confederation Park, climaxed a memorable day.

Activities of the various societies reported included a great deal of public planting, providing Royalty Crabs and other trees for public planting, placing flowers in churches, bus trips, flower shows, placing benches in parks, distribution of seeds and plants to juniors, a Fragrance Garden for the Blind (Brockville), establishing rose gardens, establishment of portable libraries of books and pamphlets on gardening topics in libraries, meetings with special speakers on a wide variety of topics, assistance to other groups interested in beautification, hanging baskets of flowers on Main street, sponsorship of a variety of activities for juniors. Where beauty is seen, the Horticultural Society effort and leadership are seen, the reports indicated.

Wellman's U.C.W.

The August meeting of Wellman's United Church Women was held at the Church. In the absence of the President, the meeting was in charge of the Vice-President, Mrs. Kenneth Tompkins and Mrs. Jim Pollock acted as pianist.

For her call to worship, Mrs. Tompkins read a passage from Psalm 133. Mrs. Bryon Seeley led the worship service, opening with the hymn, "Come Ye Thankful People Come". The Scripture Lesson, from Matthew 13, was read by Mrs. Jack Dunham.

Mrs. Seeley had prepared a meditation on "Harvest Time". This season of the year reminds us that the earth is the Lord's and He is the giver of every good gift. God has made provision for both our physical and spiritual needs and we who are so blessed must share with those in need.

The roll call was answered with a Bible verse containing the word "harvest". The offering was gathered by Julie Russett and dedicated by Mrs. Tompkins.

Mrs. Jim Pollock read the words of the hymn, "There's Not a Tint That Paints the Rose" and Mrs. John Carlisle gave a reading, "My Prayer".

The Bible Study had been prepared by Mrs. Tompkins on the nature and work of the church, concluding Part I of the Study Book, "The Church and the World". The church is different from all other organizations because it came into being as a result of God's purpose. It was compared with the chosen people of the

Old Testament and the differences in the New Covenant were studied. The church is a believing community, a worshipping fellowship and a company of witnesses. Scripture passages from both the Old and New Testaments were read to illustrate the lesson.

Mrs. Tompkins thanked all who had helped with the meeting and closed with prayer. The committee served lunch and a social time was enjoyed.

Shower For Mr. And Mrs. Ross Sarles At River Valley

Residents of the River Valley community gathered at the school house recently to honour Mr. and Mrs. Ross Sarles (the former Judy Cooney).

Mr. John Heron was master of ceremonies and expressed a welcome to the newlyweds to the community.

Interesting readings were given by Mrs. Ernest Carr and Mrs. H. Foshay. Mr. Harold Sarles gave several talented piano selections which all enjoyed. Community singing was enjoyed, with Mrs. Phil Conley at the piano.

Mr. and Mrs. Sarles were then invited to the platform and an address was read to them by Mrs. Hadley Richardson, after which they were presented with a lovely card table and four chairs.

Ross and Judy expressed their appreciation for the nice gifts and the enjoyable evening, and invited those present to their new home in River Valley.

Coffee and a delicious lunch was served and a social hour enjoyed.

Previously Judy had been entertained at a shower at the home of Mrs. Lindsay McKeown, Mount Pleasant, at the home of Mrs. Gerald Richardson, of River Valley, and at the home of Mrs. Kenneth Morrow. She was also presented with a silver

tray and dish from the Ontario X-Ray office where she is employed.

Ross had previously been entertained by his friends at the Frankford Fish and Game Club and presented with a coffee table and two end tables. He was also presented with a beautiful china cabinet from his home community at Minto.

Games of All Kinds, Round and Square Dancing at Rotary Fair

To Be Held Here Next Monday Night, August 21st — Draw on Camper Trailer

All roads lead to Stirling on Monday night next, August 21st, for the annual Rotary Fair and Street Dance, under the auspices of the Stirling Rotary Club.

This year, the Rotary Fair will be held at the Henry Street Ball Park. Dancing will be enjoyed on the newly-laid asphalt playing surface of the tennis court.

Street Fair Chairman Stewart Cooke has everything in readiness for a gala night and citizens of Stirling and surrounding districts are invited for the occasion. The Rotary Club is in need of funds to carry on its work which includes: swimming instruction for local children, financial assistance to the Ontario Society for Crippled Children, students' loans, rehabilitation for crippled children, transportation and lodging for children to "Merrywood on the Rideau". Camp for crippled children and general welfare work. Your support is needed to keep up the splendid work being carried on by the local service club.

Games of all kinds will be in operation while music for street dancing will be furnished by "The Troils".

Draw

During the evening the grand drawing for a mobile camper trailer will be made.

Tickets, which admit one to the Fair, will be on sale until just before the drawing and everyone is urged to buy a ticket and a chance on the prize.

If you have never visited a camp where there are 70 to 100 crippled children, may we suggest that you do so at your earliest convenience that you may see, at first hand, the work that is done there.

The Stirling Rotarians have done a splendid work in assisting crippled children throughout this district and are worthy of the whole-hearted support of every citizen. They appreciate your support in the past and all that you may do to assist in this great work.

Remember the place and date — Stirling Ball Park, on Monday night next, August 21st. Come and bring your friends.

Final Plans Made by Merchants For Special Events During Fair Week

Free Tickets on Draw For A Pony; Centennial Parade Planned For Sat. Morning

Final plans were completed last week in preparation for the special events to be held by Stirling merchants during Fair Week. Centennial theme will be featured this year.

Draw For Pony

One of the features will be a draw for a pony. Free tickets will be given out with each purchase by participating merchants during Fair Week. On Friday night, September 1st, the draw will be held at the four corners. Several other prizes, donated by local merchants will be drawn for the same night. This year children's names must be on all tickets.

Parade Saturday September 2nd

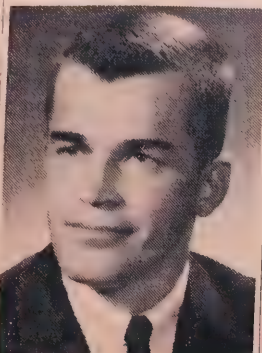

Plans are also well under way for a large parade of horses, floats and walking personnel on Saturday morning, September 2nd. To date, several merchants have stated that they would be entering floats in the parade. It is also expected that several horse clubs in the district will also be parading. This will be Stirling's Centennial Parade.

Local merchants will publish a full page advertisement in the News-Argus for the next two weeks listing outstanding features for Fair Week. An additional one thousand copies of the paper will be printed next week and one will go into every home in Stirling and district.

Support your home-town merchants in their endeavour to promote Stirling Fair — Friday and Saturday, September 1st and 2nd.

Norwood Eliminates Stirling Midgets

(By Bob Taylor)

Stirling Midgets bowed out of their O.A.S.A. playdowns last night (Tuesday) in the third and deciding game played on neutral grounds at Madoc. Stirling won the opening tilt 9-0 and blew a 7-0 lead, dropping the second game 12-9.

The final score of the deciding game was 8-4, in favour of Norwood. Joe Flagler opened the scoring for the winners, belting a solo homer to deep centre. The victors plated five runs in the third on McGee's single and Fleming's homer. Flagler got on on an error before Caughlin, Webster and Garden belted singles.

A walk to Fleming and Hudson's homer shot the winners into an 8-2 lead in the fourth before Stirling pitcher, Robert Cooke, settled down, giving up on two singles over the remainder of the game.

Two errors, a sacrifice and an infield single by Spencer plated a Stirling run in the third.

Trumble singled and Les Pyear chased him home with a booming triple in the fourth.

Stirling plated another in the seventh when Donaldson singled before being forced at second on Lyle Faulkner's ground ball. Faulkner rounded the bases on passed balls and scored on a close play at the plate. An error, a sacrifice, an infield single by Spencer and another error plated Stirling's final marker in the ninth.

Robert Cooke took the loss, giving up 13 hits, while fanning seven and issuing a pair of walks. His mates played sound ball and only erred twice.

Bob Fleming set the losers down on nine hits, whiffing eight and passing none. His mates were charged with six errors.

McGee led the winners at the plate with a double and two singles. Flagler had a home run and a single. Fleming and Hudson hit home runs. Garden and Caughlin each had a pair of singles and base hits went to Newall and Webster.

Donnie Donaldson, Glenn Spencer and Jim Trumble each had a brace of singles for the losers. Utman and Pyear walloped triples and Faulkner a base hit.

The most impressive player during the game was Stirling's catcher, Keith Fenton, who caught a strong defensive game.

Stirling complained bitterly about Fleming pitching illegally, but to no avail as plate umpire Pointer overruled their protests.

Annual Stapley Family Gathering

Twenty-six members of Mr. Frank Stapley's family met at the home of his daughter, Mrs. Albert Fraser, John Street, on Sunday, August 13th. The occasion was a belated birthday party for Mr. Stapley who was 83 on July 30th. Mrs. Stapley, who is 85, was present and enjoyed the day very much. Both are in fairly good health. They look forward to this annual gathering.

Pot luck dinner and supper was enjoyed by all and Bruce Stapley tended the coffee pot, pouring and stirring with much ceremony.

This was the birthday of the newest member to join the family, Gordon Vaughan, husband of Joan (Fraser).

Wins Ontario Scholarship

It was announced today that Tim Deeth, of Toronto, son of Margaret (Wilkinson) Deeth, has won an Ontario Scholarship, having achieved an average of 80% or more in his Grade 13 examinations.

Around The Tables

The Senior Citizens met last week and thirty-one were present. A pretty nice group for holiday time. One proud member present was Ross Hoard, when Pres. George expressed thanks to his two daughters-in-law, (Mary and Lois), for the lovely lunch they prepared for us. You had every right to be proud of them, Ross, for it was a lovely gesture on their part and was thoroughly enjoyed by us all. Thanks, girls, you're a great pair.

Bessie Rodgers, a former citizen of Stirling, was a welcome guest.

Della and Duncan would like to procure two weeping towels. Not for personal use but for P.D. and Nellie to cry on — nuf sed.

MR. AND MRS. THOMAS M. LEE LEE — MARTIN WEDDING

A very pretty double-ring ceremony was solemnized on Saturday, July 22nd, by Rev. H. E. Beare at Spring Brook United Church, which was gaily decorated with baskets of yellow gladioli, when Lois Loraine Martin, daughter of Mr. and Mrs. Melbourne Martin, of Bonarlow, was united in marriage to Mr. Thomas M. Lee, son of Mr. and Mrs. Thomas J. Lee, of Markham.

The bride, given in marriage by her father, was dressed in a long, white gown of French Val lace with long, lily-pointed sleeves and bell-shaped skirt. Her waist-length veil of illusion tulle was caught by a halo of seed pearls and rhinestones. The only jewellery worn by the bride was a yellow gold locket, given by the groom. She carried a cascade bouquet of deep pink carnations. The matron of honour, Mrs. Carl Mitchell, and the bridesmaids, Miss Judy Moore and Miss Nancy Kosmack, were gowned alike in floor-length dresses of silver crepe with empire waistlines and lace bodices. The matron of honour was in pale green and the two bridesmaids were in pale yellow. They wore headpieces of yellow and bronze 'mums and carried identical bouquets of the same. The two little flower girls, Miss Gail Beare, niece of the bride, and

Miss Deanna Elson, niece of the groom, were gowned alike in floor-length dresses with waistlines and lace bodices of green silver-tone crepe. They also wore headpieces of yellow and bronze 'mums and carried little baskets of these flowers.

The two little ring-bearers, Master Randy Beare, nephew of the bride and Master Kenneth Elson, nephew of the groom were dressed alike in grey ivy league suits.

The groom was attended by Mr. Carl Mitchell, Mr. Gene Martin and Mr. Dennis Millard were ushers. Mrs. Carol Fairies was organist.

The reception was held in the L.O.O.F. Hall, in Stirling. The bride's mother received the guests in a dress of pale pink chiffon over white lace with matching hat and white accessories and a corsage of white carnations. The groom's mother wore a dress of turquoise bengaline with lace overskirt and matching hat and white accessories with a corsage of pink carnations.

Leaving for a wedding trip to points north, the bride wore an orange dress of shantung with bone and white accessories with a corsage of white carnations.

On their return, Mr. and Mrs. Lee will reside in Markham.

River Valley Women's Institute Hold Centennial Day Programme

Held At The River Valley School House On Thurs., Aug. 3rd — Well Attended

(By Mrs. Percy MacMullen)
(Continued from last week)

Institute Skit

Mrs. Jack Bush introduced the members of the skit, which depicted a regular Institute meeting held in November, 1940, at River Valley, a few months after their organization. Hostess, Mrs. Stanley Irvin; President, Mrs. Vernon Harry; Secretary, Mrs. Gerald Brooks; Members, Mrs. Ernest Carr, Mrs. Roy Tucker, Mrs. Allan McDowell, Mrs. J. L. Donohoe. The ladies quitted, gossiped about this and that and held their regular meeting. Several of the husbands were also present.

The authentic minutes of the November R.V. W.I. of 1940 were read by the Secretary.

Fifteen members were in attendance and they displayed several old relics. The roll call told of the new conveniences on the market which included kitchen ranges, treadle sewing machines, curling tongs, telephone, easy chairs, dash churner and a char-

coal iron.

A donation had been made to the Historical Society and an invitation to a boat trip down the bay to attend a picnic at Massasaqua Point was accepted and two ladies were asked to take their croquet sets.

One member gave tips on making home-made soap and another member demonstrated how to sharpen and store knives properly. Plans were made to send flowers to two members who were ill. The closing number on the 1940 programme was a poem entitled "Mother's last Words," which contained two hundred and six verses. The Healthful Living Committee provided the lunch at this meeting.

One member got thirsty when the collection was taken and thus had to make her way to the kitchen for a drink of water. Two other ladies had lost their money so it was a small collection.

Plans were made for a bazaar and one member's specialty was chocolate cake made with goose grease, while another member offered to contribute an angel cake as she had found a nest of twenty eggs the day previous.

The programme for this month followed.

Mrs. Roy Tucker read a summary of the current events for the year 1940 as prepared for that meeting from the various copies of the Stirling News-Argus. The highlights were:

Mr. George E. Cryer is still issuing marriage licenses. Mr. J. S. Morton is optician and Dr. Charles Walt the dentist. Joseph Frappé was engaged to teach the River Valley School until Easter 1911. The new Masonic Hall is now available for social engagements.

The electric lights were turned on in Stirling for the first time Monday, February 28th, 1910.

Mr. J. Hanna's black minorca hen laid an egg 7"x8 1/2" and weighed 4 1/2 oz. on April 1st. Another hen on a nearby farm laid the smallest egg, about the size of an medium sized bird's egg, weight one dram seven grains.

The roadmen are busy grading Front, Mill and North Streets in Stirling. On April 7th the water wagon started its rounds in the Village for the season.

Fifty farmers around Stirling had the telephone installed in 1910. On October 13th all-night telephone service was commenced at the central office in Stirling.

A new Agricultural Office for Hastings County has been set up in the Village with Mr. A. D. McIntosh in charge. He will also teach agriculture at the King George High School as this subject has been added to the curriculum.

The local business establishments were inconvenienced when the Grand Trunk Railway went on strike in July.

The new steel bridge at the east end of the village finally was completed.

In November a lot of people were happy to read an advertisement in the News-Argus "See the moving picture show in the town hall Friday and Saturday evenings."

J. J. Craig, M.P., introduced a bill to have County Councils ban autos off the roads certain days each week as they were only a luxury vehicle.

The members travelled via horse and buggy and as usual had left a multitude of work at home. Their humorous gossip included a discussion about the late-comers before they arrived on the scene.

George Luery's advt. in the News-Argus included good quality undershirts with embroidered flounces and dust frills at 69 cents each and cambric drawers with deep flounce and lace trimming at 25 cents a pair.

A discussion followed on "How to keep butter," which stressed clean cows, milk pans and thorough washing in clean water. Milk should be pasteurized to kill germs. Heat milk to 155 degrees Fahrenheit for thirty minutes. The last item was preparing water for scalding pigs. Boil the water and throw in a handful of hardwood ashes, soda or tar to loosen the

hair and scurf off the skin.

The special paper on "Henry Ford and His Inventions," was read by Mrs. Ernest Carr. We quote portions of it:

"The automobile is probably here to stay, although there are only a few around as yet. There are several horseless carriages on the market — Overland, Sunbeam, Mabley, Oldsmobile and Reo. One of the newest is Henry Ford's Model T, put on the market in 1908. Mr. Ford claims it will take the family for a Sunday spin, plow fields, saw wood, pump water, store grain and generate electricity and it is black in colour. It can do practically everything but diaper a baby."

The paper included a description of Mr. Ford's quadricycle, built in Detroit in 1896 in his own woodshed and it weighed 500 pounds.

The new Model T Ford has a few disadvantages. It doesn't start very well on cold mornings so various ideas have been set forth such as filling the radiator with boiling water. Another thing it balks in the middle of a steep hill but the driver can turn the car around and shug up backwards. It can travel 18 or 20 miles per hour and it sounds like an asthma patient being chased by a bear.

The skit closed with a humorous article read by Mrs. J. L. Donohoe and the group left the platform and went to the dining room for lunch.

Antique Display
The school house was decorated with a large array of farm equipment and tools, such as Indian broom, sheep shears, blacksmith forge, hay cutter, cabbage cutter to make sauerkraut, etc.

An old-fashioned kitchen in the north east corner of the school room was complete with a box stove, wood, kettles, lamps, crumb tray, roller towel, paper rack, medicine cabinet, Indian corn, catnip, graniteware, tin pie plates, trailing ivy, set of scales, dinner pail, wooden pail, apple peeler, wooden potato mashers; artichokes used by the early settlers in place of potatoes and they stay in the ground all winter; a granite wash basin and cup used at Rylstone Cheese Factory for the help around 1900 when Orrie Barton was cheesemaker.

The side walls were used to display numerous school pictures and included one of a Life Member, Miss Flossie Rosebush, who is a patient in a nursing home. There was a framed entrance certificate and many items of interest.

The story on the blackboard stated that it was a collection of antiques and "antiques to be", in memory of nearly two hundred years of living in this community.

The "Pennies for Friendship" poster with jug was also displayed.

Also on display were a Centennial quilt made in 1967 and an old-fashioned bun quilt 75 years old, a sewing machine manufactured in 1865, a colourful victrola with disc records, framed pictures of Queen Victoria and of the four generations of Royalty in her day. A corner depicted hats, dresses, aprons, pillow shams, muff, etc. and a group of various sized crocks which had been in use in years gone by and dozens of jugs of various sizes and shapes.

The two Tweedsmuir Histories were displayed on a large table with several old Bibles and other books and two framed wreaths made by grandmothers of two members, one of dyed feathers and the other from every kind of seed. There was a large collection of coal oil lamps and lanterns.

The library shelves contained a wealth of china and glass of ancient vintage — biscuit jar, cheese dish,

souvenir plate of World War I, matching water pitcher and tea pot, several Queen Victoria dishes, fruit bowl and many souvenir pieces of china and glass.

The platform was arranged with an heirloom rug, wooden fireplace, with clock and candle sticks, what not with an array of small heirloom china, an old-fashioned screen, rocking chairs, handmade cradles, parlour table one hundred years old, post card and photo albums, velvet picture frame, framed samplers, sofa, baby chair, jewellery box, step stool.

One corner of the School was devoted to a display of crockery which included an old-fashioned bedroom toilet set. Also displayed were: bread pan, butter bowl filled with butternuts and hickory nuts, rosy red apples, carpets, table spreads, (Continued on Page Seven)

You could call this little yarn "Handwriting on the wall." It seems that a subscriber's voice was becoming very familiar to the Information Operator. The same woman kept calling, fairly often, asking for a different number each time. Sensing that she was being recognized, the lady apologized and explained to the Operator, "I'm sorry to keep calling you so often, but they just papered my room and covered up all my numbers!" The lady had the right idea, to save time and avoid number errors, it's a good idea to jot down frequently called numbers. But we think a Personal Directory for such numbers is much handier . . . and much less likely to be wallpapered! If you would like a Personal Directory for your frequently called numbers, just give us a call at Zenith, 60000 and we'll be happy to send you one, free of charge.

It's easier for your friends and associates to contact you when your printed business cards and letterheads or personal stationery give your complete name and address. That includes your complete telephone "address" — not just your telephone number, but your area code as well. More and more busy men and women are finding it valuable to have their area codes printed on letterheads and business cards. It makes it so much easier for business associates to reach them quickly by telephone when necessary. Even if all your correspondence is personal and you don't use printed stationery, it's still a good idea to let your friends know your area code along with your phone number. And to know the complete telephone "address" of your distant friends. Of course, using the area code is a must if you are able to dial your own long distance calls and you are phoning to a place outside your own area. Where one of our Operators must place the call for you, giving her the area code helps her to speed your call along its way.

Shower Party For Newlyweds

On Friday evening, August 11th, River Valley School room was a bower of beauty with bouquets of summer blooms when the community tendered the newlyweds, Mr. and Mrs. Keith Bird, Batawa, nee Marilyn Conley, with a shower party.

Mr. Ed Kent was master of ceremonies and expressed congratulations and best wishes to the honoured couple. Jack Bush led the assembly singing with Mrs. Sheldon McIntosh as accompanist.

Humorous selections were read by Mrs. J. L. Donohoe, Miss Eleanor Bush, Mrs. Ernest Carr and Mrs. Roy Tucker. Mrs. McIntosh contributed a piano selection. Mrs. Philip Conley and Mrs. Percy Hubble rendered a piano duet.

Greetings were expressed by Mrs. Roy Bush and Mrs. Percy MacMullen.

The young couple were given seats of honour on the platform and Mrs. Gerald Brooks read an appreciative address.

The presentation of a china cabinet, record table and glass candy jar was made by Gerald Brooks, Nick De Haan, John Kane and Mrs. Morley Richardson. There were also individual gifts.

Keith and Marilyn voiced thanks for the party, programme and gifts and invited the group to visit them in their home at Batawa.

The bride received the guests wearing her wedding dress of white shantung silk with corsage of baby mums and the groom wore a matching boutonniere.

The groom's sister, Miss Carol Bird was in attendance, wearing her mint green peau de soie bridesmaid's dress.

Friends and relatives were in attendance from Stirling, Stockdale, Batawa and Mount Pleasant.

Numerous pictures of the wedding, which was solemnized on July 15th, were shown.

The group in charge served refreshments which included a slice of wedding cake which had been made by the bride's mother.

The group enjoyed a half hour reminiscing before wishing the newlyweds every happiness in their matrimonial voyage through life.

During the evening "Happy Birthday" was sung for Mrs. Glenn Bush.

Centennial Wild West Rodeo Coming To Stirling

One of the wildest, most exciting action shows to be put on the road for many years is to make a one night stop one mile north of Stirling. The Centennial Wild West Rodeo, booked by Ted Tack's Shop, will appear here on Wednesday, August 30, at 8 p.m.

The action starts at the chutes and there will be plenty of thrills from the instant the gate swings open. Once the rider and mount are in the arena, every split second counts. If you glance away for an instant, you may miss the biggest thrill of the performance. The professional cowboys who take part in these events lead a strenuous life, beset with hazards, not only in the rodeo arena, but in the tremendous amount of night and day driving they do, getting from one show to the next, meeting deadlines and paying high entry fees for the privilege of riding these untamed animals.

Unlike its proud predecessors such as the old time 101 Ranch Show, the famous Miller Brothers show, or Buffalo Bill's Congress of Rough Riders that travelled entirely by rail, the Centennial Wild West Rodeo moves exclusively by truck, utilizing a fleet of nearly forty vehicles. This is a great step ahead in transportation when one realizes that this same show, founded more than a half century ago, in 1911, once moved men, horses and equipment by horse and wagon from place to place.

Of course, there's much more to each performance than just bronco bust, calf ropin' or wild broncho bull ridin'. There will be clowns and comedy featuring the redoubtable Billy Hawkins and his famous clown automobile, Chip Morris and the sensational Centennial Liberty Horses, TV's Fast Draw Gunman, Chuck Aylett, Chief Spotted Eagle, the Tribal Chief of the Cherokee Nations, the Centennial Wild West mounted Square Dancers, and some of the prettiest cowgirls ever to grace a rodeo arena.

Not all the performers are Canadian, nor are they all from west of Saskatchewan. Chip Morris spends much of his time in Hollywood, although originally from Mountain View, Arkansas, Chief Spotted Eagle

is from West Virginia; Marilyn Boldt, a pretty blonde trick rider, is from Tama, Iowa, and the show's musical director, Marie Loter, hails from San Antonio, Texas. Always looking for potential rodeo stars, either two-legged or four-legged, Doug Doner, the livestock superintendent of the show, always has his eyes open for a potential bucking horse or bull, or a cowboy who would like to try his hand at riding them.

The fascinating colour and explosive action of rodeo, the original American sport which enjoys tremendous popularity throughout the North American South and West, is caught and remains in every performance of the Centennial Wild West Rodeo, and may prove to be one of the most entertaining educational shows to tour the east.

Starting time of the show is 8 p.m.

Jehovah's Witnesses At Oshawa

Last Sunday afternoon the Civic Auditorium in Oshawa overflowed with thousands who gathered to hear the main discourse of the "Discipline-Making" Bible Seminar of Jehovah's Witnesses. This talk brought to a climax the largest religious convention held in the Oshawa area.

The delegates came to hear timely information delivered by Mr. A. W. MacNamara under the theme: "Rescuing a Great Crowd of Mankind Out of Armageddon".

"When we look in the direction of man, we see evidence piling up that man's mismanagement of the earth threatens his own existence," said MacNamara, speaking of world conditions since 1914. With regard to the increasing industrialization of the world, he said, "Mankind has had to pay dearly, because pollution of air, land and water has reached critical proportions." MacNamara also mentioned the "population explosion" and unprecedented wars which have ravaged the earth in the 20th century. He said, "The coming war of Armageddon means the climax of a time of trouble such as never has afflicted mankind before." But he also stated that, "Divine provisions are underway to rescue a great crowd of earth's inhabitants from the coming conflict." These will parallel those who escaped the flood of Noah's time, and will come out "to an earth cleansed and freed from all

disturbers of peace."

Enthusiasm was expressed by Mr. Walton Lidster and his family, of Frankford, Ontario, on their return from the seminar. Mr. Lidster said that the entire program provided timely counsel for local application, not only for himself, as presiding minister, but also for all of the delegates from the local congregation. Their five weekly congregational meetings and house-to-house ministry will now start to reflect this counsel to the benefit of the community.

Highlights of the Seminar were the baptism service Friday, and three Bible-based dramas, one Friday evening and two Saturday. The baptism service saw people from all walks of life ordained as Jehovah's Witnesses. The Bible was stressed at all sessions of the assembly. The Witnesses feel that despite man's scientific and technological advances, he still has not solved the basic problem of how to live peaceably on the earth. They feel that a lack of the Bible's timeless moral principles is to blame and that Bible instruction is more necessary today than at any time in history.

This was the 15th in a series of 19 seminars to be held across Canada this year. The last four will be in Brockville, Ont., Moncton, N.B., Corner Brook, Nfld., and an all French language assembly at Trois Rivières, Que.

Big Fish Caught In District Waters

Jim Evans, of Toronto, landed a 33 lb., 2 oz. muskellunge at the mouth of the Moira river, Stoco Lake, near Tweed on Wednesday evening, August 9th. The giant fish measured 46 1/2 inches in length with a girth of 22 inches.

It is difficult to say who was the most surprised, Mr. Evans or the fish. Fishing with a spinning rod and 6 lb. test line, and using a worm for bait, Mr. Evans had just hooked a rock bass when the muskellunge swallowed the rock bass, hook, line and sinker. It required two hours to land the fish, which broke out of the landing net on two occasions.

The muskellunge is now being mounted by Stan Olsansky, Stirling, Taxidermist. He told the News-Argus that the rock bass was securely wedged in the muskie's gills.

MADOC DETACHMENT August 6th to 12th

During the week of August 6th to 12th, 1967, officers of the Madoc Detachment of the Ontario Provincial Police investigated 18 vehicle accidents, 13 of a property damage nature, 5 personal injury accidents, with 5 people sustaining injury, mainly of a minor nature. There were no fatal accidents during the past week and this gives a fatality free record of 122 days beginning April 12th, 1967.

There were 50 occurrences reported, 2 for break and enter, 3 for theft, 1 request for assistance and 5 reported disturbances, with 39 miscellaneous occurrences.

Detachment officers safety checked 170 vehicles, with 164 warnings handed out and 16 charges for various Highway Traffic Act offences. A number of the aforementioned safety checks and warnings were in connection with a traffic safety lane operated by the Dept. of Transport in our area during the past week.

Thirteen and three-quarter hours were spent in court during the past week, with 27 convictions obtained. Magistrate R. C. Jackson, of Belleville was presiding and Mr. John Lennox, of Belleville, represented the Crown.

3,950 miles of area were patrolled, in connection with 522 working hours. The following is an excerpt from the Highway Traffic Act of Ontario: Section 51 (1):

"Every commercial motor vehicle shall have attached to or painted on both sides of the vehicle in a clearly visible position a sign showing the name of the owner, but the Department may by regulation designate any vehicle or classes of vehicle to which this subsection does not apply."

Viscount Amory, the United Kingdom's High Commissioner to Canada, speaking in Toronto: "Government statistics are like the bikini bathing suit — what they reveal is interest, but what they conceal is vital."

River Valley W.I.

(Continued from Page Six)

The top of the front wall was devoted to a small Centennial display of flags, an 1867-1967 cushion silk map of Canada, etc.

The windows were decorated with crockery jars filled with summer flowers which all added beauty to the scene.

It was a wonderful display of articles donated by members, other River Valley friends in the community and folks outside the community. There were over twenty-five people who brought their heirlooms and the institute extends a gracious "thank you" to all.

The committee in charge put in hours of work and moved and stored all the school desks for two days in order to arrange the display and set up one hundred chairs. The teacher, Mr. Glenn Bennett, assisted with moving all the library books to the school kitchen and the shelves were used to display the china articles. The school room was given a new look for August 3rd and the next forenoon everything was returned to its proper place.

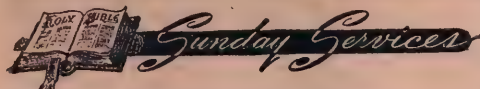

Mrs. Glenn Bush and Mrs. Roy Tucker welcomed the guests at night, which included several families who were camping in the area. Mrs. Percy MacMullen was in charge of the guest book when ninety-one more people signed as they paid their admission fee. There were also dozens of folks who came back again to view the display.

A bake table, in charge of Mrs. J. R. Donohoe, her daughters, Jean and Judy, and Miss Maria Hensman, was filled with mouth-watering food and soon sold to eager buyers.

The "Come and Go" guests viewed the displays, ate their lunch and sat awhile to chat.

Centennial Day finished about midnight and the group in charge felt that it had been a very rewarding and memorable event.

"Marriage is not and should not be an interminable conversation," says Prof. Ashley Montagu of Rutgers. "The man who comes home from work and sinks into his chair with a newspaper should not be misinterpreted as having tired of his wife. What he desires is to relax and rest in the presence of his wife."

LOYALIST COLLEGE

"I am pleased to announce that when the terms open September 11th, Loyalist will be the first College in Eastern Ontario to offer a course in Municipal Administration. The course is aimed particularly toward young men who wish to become assessors. To our knowledge, there are more than 1,000 openings for licensed assessors in municipal offices alone, and certainly a number of other rewarding avenues are open to professionally qualified people. Those who register now, and successfully complete the two years of academic work, plus one year of practical work, will qualify for their full Municipal Assessors Licence issued by the Department of Municipal Affairs."

Annual Rotary Club Fair and Dance Proved Most Successful

Large Crowd Gives Splendid Patronage For Various Games — Draw Was Made

The Rotary Fair and Dance held on Monday night, August 21st, at the Henry St. Park, proved quite successful and President Dr. Jan Jagaciak, Street Fair Chairman Stewart Cooke and fellow Rotarians are delighted with the generous patronage accorded them.

The Park was made ready in the late afternoon. The net proceeds amounted to several hundred dollars, which will be used for the Club's Crippled Children's work and other benevolent activities.

A bingo game did a thriving business, while a shooting gallery, fish pond, coin throw, several wheels of fortune, dart game and refreshment booths were well patronized. Several Rotary Anna assisted the Rotarians in the various booths. Music for dancing was provided by the Trolls.

During the evening some 60 children received their swimming awards from the Stirling Rotary Club sponsored swimming classes held at Belleville.

Price Winners
In the draw for the Mobile Camper Trailer, Mrs. Dorothy Hawker was the proud holder of the lucky ticket.

R. A. Patterson sold tickets on a telephone stand and chair, which was won by Fred Brandt, Stirling.

The Rotarians would like to express their thanks to the non-Rotarians for their help and assistance in the various booths at the Fair.

Celebrate 25th Anniversary

On Sunday, August 20th, 1967, Mr. and Mrs. Don Rodgers were "at home" to relatives, neighbours and friends on the occasion of their 25th wedding anniversary. Don and Helen and their three children, Rosalyn, Graydon and Evan, and the two mothers, Mrs. Louis Rodgers and Mrs. R. H. Philip, circulated among the many guests, making them feel "at home" on this happy occasion.

Donald Rodgers and the former Helen Thain were married by Rev. David Gray in the United Church manse on August 8th, 1942. Mr. and Mrs. Raymond Baker, of Kingston, were their attendants. They were present for the anniversary.

The Stirling News-Argus joins with its readers to extend best wishes to Helen and Don.

Sports Notes

(By Bob Taylor)

Crookston took a stranglehold on their best 3 of 5 semi-finals against Holloway by drubbing the losers 10-2 on Thursday night with a 3-run seventh inning outburst. Crookston took longer, however, to dispose of their opponents as it took 12 innings to eke out a 3-2 victory. Dick Chapman was the winning pitcher in the first tilt and went 8 innings in the second before Wayne Saw came on to get credit for the win. Ron Denvers took both defeats.

Final Standings in Stirling Mixed League
Stirling, 17 points; Ivanhoe, 11 points; Holloway, 10 points; Spring Brook, 10 points. Holloway won sudden death game for third place, 17-8. Ivanhoe wins Stirling Invitational Young Peoples Tournament and Rod Webb Trophy.

Spring Brook drubbed Thomasburg 36-6 in the opening game at 12:00. Linda Bateman was the winning pitcher while Merle Morton took the loss.

Holloway blew a commanding lead in the sixth inning and dropped a narrow 16-15 to Ivanhoe in the second game. Bev Caterer was the winning pitcher in relief of Sharon Benson with Shirley Cooney taking the defeat.

Ivanhoe drew a bye for the semi-finals and Spring Brook and Cannifton duelled for six innings to a 1-1 stalemate before Spring Brook advanced to the finals with an 11-run outburst.

Bateman and Carol Patrick hurled the win while Nan Latchford took the loss.

Holloway won the consolation semi-finals whipping hapless Thomasburg 11-9 behind Cooney's pitching with Morton tolling for the losers.

Holloway won the consolation finals as Cannifton forfeited due to an injury to their pitcher.

Spring Brook stayed with Ivanhoe for four innings before Ivanhoe pulled ahead to win 13-6. Benson was the winner while Bateman and Patrick tolled in defeat.

Graham Mouck presented Ivanhoe captain, Kenny Kleinstauber, with the Rod Webb Trophy at the conclusion of the game.

A booklet, entitled "Stirling Centennial Souvenir — 1967" has been released this week. This attractive eight-page booklet is the Centennial project of Mrs. Earl Luery and Mrs. Edwin Warren. All proceeds from the sale of these books will be turned over to Unit Four of St. Paul's United Church Women.

Our Eighty-Eighth Birthday

This year the News-Argus is eighty-eight years old. Established in 1879 by the late John H. Thompson, it has served the interests of the community in the intervening years. He has been followed, in turn, by James Currie, J. W. Correll, A. R. Alloway, A. Donnell, A. E. Dobbie, H. R. Tompkins and the present editor, R. L. Hulin.

A small town paper can only be as interesting as those who are its subscribers will assist in making it, and it has only been possible for the News-Argus to continue through the co-operation and loyal support of advertisers, correspondents, subscribers and friends. To them, we wish to express our sincerest thanks and appreciation.

The News-Argus is proud of being eighty-eight years old, and earnestly asks for a continuance of the loyal support and patronage of all, both in the newspaper and commercial printing departments.

In appreciation, we are offering, for the next ten days, a substantial reduction in the yearly subscription rate for all new subscribers to the News-Argus.

Local Merchants and Fair Board Co-operate to Boost Stirling Fair

Centennial Parade Saturday, Sept. 2nd—Free Draw To Be Held For A Pony

Considering the number of small communities today who no longer have a Fair, Stirling and the surrounding community can be justly proud of the small group of people who work so hard to provide an agricultural show.

It is impossible, of course, for a small community to compete with neighbouring larger centres, who seem to have unlimited funds at their disposal. The local Fair Board and the exhibitors are to be highly commended for their efforts.

Western Games Competition

Again this year, the Fair is placing impetus on a different type of horse show and Western games, with racing, saddle and riding horses. This should prove most interesting.

There will, of course, be the usual large entries of the best in other livestock, vegetables, fruits, cooking and various craft work.

Co-Op Advertising

The merchants of the community have co-operated with this paper in providing advertising for Fair events, by supplying a News-Argus to every home in the area. The bargains in the stores are provided for our customers, not only on Fair Day, but for the entire week preceding.

These are truly good values, unlike sales in some communities. These prices are not marked up to give the customer the illusion of a sale.

Remember, Stirling Fair is not merely a show by the Fair Board. It is a push and boost for every person, whether in town or in the country. It is a community project.

The Stirling merchants have also planned various activities during Fair Week — August 25th to September 2nd. The merchants are asked to decorate their stores in a Centennial theme.

Draw For Pony And Other Prizes

All participating merchants will have free tickets available next week on a draw for a pony and other prizes. These will be given out free with purchases. This year only children 16 years and under will be eligible for the pony draw.

Centennial Parade Downtown Saturday Morning

A Centennial parade downtown is planned for Saturday morning, September 2nd, at 9:30 a.m. To date several merchants are arranging for floats and walking personnel. The Chamber of Commerce and Fair Board have also been fortunate in obtaining a band for the parade. It is expected that a number of antique cars, horses with riders in parade costume, and several dignitaries in the parade. A complete report on the parade will be published next week.

Stirling Fair, Saturday, September 2nd

So come to Stirling during Fair Week and plan to attend the Fair on Saturday, September 2nd.

Fair Week activities will wind up with a big Centennial dance for all ages at the Fair Grounds at night. Plan now to attend.

Mailing Lists Are Corrected

The mailing lists of the News-Argus have been corrected up-to-date and subscribers are asked to check their labels for the expiry date of their subscription. Should there be an error, please contact this office at once, so that any mistakes may be rectified. If your label reads prior to August, 1967, a settlement will be appreciated.

on Monday, August 14th at noon, in
the Coronation Park.

Before leaving for a garden tour,
everyone pulled at least one weed
from the petunia bed. It was ar-
ranged to visit Mrs. L. Hermon, of Fox-
boro, for the next meeting on Mon-
day, September 18th, at 2 p.m.

Gardens visited included the Ceno-
taph Park, Mrs. N. Wannamaker's,
Mr. F. Houchins, Mr. E. Munro's,
Mr. C. B. Rollins, Mr. and Mrs. Jas.
Chambers, Mr. and Mrs. I. Caldwell's,
Mr. F. Wannamaker's, Mrs. R. Rose's,
Mrs. F. Armstrong's, and Mr. W.
Ashby's, which was a very nice place
to end the tour and after viewing the
garden, a rest and visit were enjoyed
by all on the lawn with a splendid
view of the Trent River before them.

PROFITS GROW

When You Build With Modern Roof Trusses

SAVE LABOUR

The roof of an average house can be
erected in just two hours, by only
three men. Rugged light-weight trus-
ses can be handled easily by two men.

SAVE MATERIAL

Trusses are spaced 24" o.c. instead of
16" o.c. as in conventional roof fram-
ing. Yet because of their great
strength, they easily handle abnormal
snow loads.

Trans Canada Trusses have full

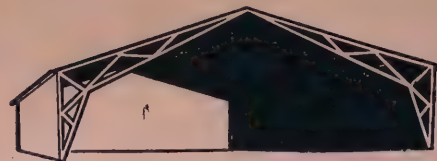

CMHC ACCEPTANCE

SAVE TIME

By closing in the house quickly, inter-

of weather conditions.

A meeting of Rylstone Women's Institute was called recently to prepare the programmes for the coming year. However, the attendance and material handed in was not enough for preparation of the programmes, so an evening meeting has been arranged for Wednesday, September 6th at the Sunday School room of Zion Church with Mrs. Jack Watson as hostess. Linda Anderson will show slides of a recent trip to the West Coast, taken by Linda and her parents earlier this summer.

Shower For

Bride-To-Be
Mrs. Percy Reid and her daughter, Mrs. Don Pettey, of Niagara Falls, were co-hostesses at a shower for Carol Heath, on Friday evening in honour of her coming marriage.

About 40 ladies attended. The bride-to-be, her mother, Mrs. Ralph Heath and Mrs. Mac Mason were all presented with corsages and Carol was seated at the head of a prettily decorated table where she opened her gifts and passed them around for all to see.

Mrs. Pettey was mistress of ceremonies for a short programme. Mrs. Murray Meiklejohn gave a humorous reading. A book was passed among the guests in which they write household hints.

Mrs. Don Stewart and daughters, Donna and Maureen and Mrs. Walt Reid served a dainty lunch.

Trousseau Tea

On Saturday afternoon and evening Mrs. Ralph Heath was hostess at a Trousseau Tea in honour of her only daughter, Carol, from 2 to 5 and 7 to 9. The dining room was tastefully decorated for the occasion and the guests were received by Carol and her mother, and Mrs. Mac Mason, of Spring Brook, mother of the groom-to-be.

Beth Mummy was in charge of the guest book. Carol's matron-of-honour, Mrs. Bill Morton, of Belleville, took the guests to see Carol's trousseau. Four aunts of Carol, Mrs. Gerald Fitchett, Miss Blanche Gibson and Mrs. Walt Reid, and Mrs. Clifford Heath, of Stirling, were in charge of replenishing the trays of goodies, in the kitchen.

HASTINGS COUNTY RE-ASSESSMENT

Commencing August 21st, Assessors from Hastings County Assessment Department will be in the Village of Stirling, to begin work on revaluing the property in the Municipality.

The new valuation will be made in accordance with the new Provincial Assessment Manual and the same system will eventually be used in every party of the Province. Values will be based on the replacement cost of the buildings, with allowance for depreciation, economic obsolescence and local factor. Sales and rental values in the locality will also be taken into consideration. The new system should be much more realistic and equitable than any former assessment and should be much fairer to property owners.

It will be necessary for the Assessors to go all through the buildings in order to ascertain the proper value and the public are requested to co-operate in every way possible.

Each Assessor carries an identification card and will produce it on request.

The Assessment Act states, in effect, that, upon reasonable request, at any reasonable hour of the day, any member of the Assessment staff or Court of Revision may enter and examine every part of every building, and penalties are provided for refusal to co-operate.

The staff will try to do the work with as little inconvenience to the property owner or tenant as possible — but the job must be done.

Your co-operation will enable the Assessors to do the work more quickly so that the entire County will be completed at the earliest possible date.

S. C. JEVONS, M.I.M.A.,

Assessment Commissioner

Couch -- Oddie Wedding

On Saturday, August 12th, 1967, at 2 p.m., in Hoard's United Church, the marriage of Judith Oddie, daughter of Mr. and Mrs. Kenneth Oddie, of Campbellford, and Lyle Couch, son of Mr. and Mrs. Arthur Couch, Stirling, was solemnized by the Rev. Gordon Whitehorse.

Mrs. Frank Potts played the wedding music and during the service Miss Linda Walker sang "O Perfect Love" and at the signing of the register, "O Father All-Creating". An arrangement of pink and rose gladioli and garden flowers was on the piano.

The bride, given in marriage by her father, wore a white linen gown, styled with empire waistline. The bodice, elbow-length sleeves and long train were of white embroidered lin-

en and her shoulder-length veil was held by a linen rose. Her only jewelry was a blue sapphire pendant. She carried a white Bible, topped with white gladioli petals, centred with blue love-in-a-mist and baby's breath with trailing ivy and white ribbons.

Miss Mafie Millard, Peterborough, was maid of honour and Mrs. Brenda Moriarty, also of Peterborough, was bridesmaid. They were gowned alike in dresses similar to the bride's, made of rose coloured embroidered linen and their veils of rose and white were held with a rose linen rose.

The flower girl, Karen Oddie, sister of the bride, wore a long, white linen dress with a wreath of pink and blue flowers in her hair. The three attendants carried nosegays, backed by pink net, of pink gladioli petals with a centre of blue bachelor buttons and long ribbon streamers.

Garry Couch, nephew of the groom, carried the rings on a white satin, heart-shaped cushion trimmed with ruffled lace.

Kenneth McConnell, Stirling, was groomsmen and John and Peter Oddie ushered the guests.

The reception was held in the Church auditorium where the ten tables were attractively decorated with arrangements of garden flowers. The bride's mother received, wearing a turquoise crepe sheath with a flowered georgette coat and matching turquoise hat. Her corsage was a creamy white gladioli. The groom's mother, also in the receiving line, wore blue sheer over flowered crepe and a matching blue hat.

For travelling through the Eastern States to Newfoundland, the bride wore a green linen suit with corsage of white gladioli and wine button carnations.

Guests attended the wedding from Montreal, Brockville, Hamilton, Niagara Falls, St. Catharines, Peterborough and Fraserdale.

Mr. and Mrs. Couch will live at 314 Maitland Drive, Peterboro.

All the flowers for the wedding party and decorating the church and auditorium were supplied from her garden and arranged by Mrs. Dorothy Milne.

Prior to her marriage showers were given by Mrs. Frank Potts; Mrs. Geo. Grills and Miss Sheila Whitton en-

tertained the Girls 4-H Club at the home of Mrs. Wilbert Whitton; and Miss Dianne Johnston entertained the laboratory staff of Peterboro Civic Hospital.

Chatterton W.I.

The August meeting of the Chatterton W.I. was held in the Church Hall with 13 members and 1 visitor present.

The president opened the meeting with the Ode, followed by the Mary Stewart Collect. The roll call was well answered with the name and use of an herb in Granny's day.

The convenor, Mrs. Helen Reid, took over the programme with a reading, "Little Ears". Mrs. Carson gave a paper on the topic of Health.

"Are You Getting Enough Sleep?" and a reading, "Look Alive". Bessie gave items from the Consumers' News. Mrs. Irvine conducted a contest on listing items one should always have on hand in the medicine chest.

The president closed the meeting and the assistants served lunch.

LOYALIST COLLEGE

"I am pleased to announce that when the terms open September 11th, Loyalist will be the first College in Eastern Ontario to offer a course in Municipal Administration. The course is aimed particularly toward young men who wish to become assessors. To our knowledge, there are more than 1,000 openings for licensed assessors in municipal offices alone, and certainly a number of other rewarding avenues are open to professionally qualified people. Those who register now, and successfully complete the two years of academic work, plus one year of practical work, will qualify for their full Municipal Assessors Licence issued by the Department of Municipal Affairs."

A. H. MCFARLANE,
Director of Student Services:

"Many men and women who do not have a secondary school graduation certificate are capable of completing successfully a wide range of college-level courses. Thousands, in fact, have done so. Placed in appropriate courses, these "mature matriculants" frequently demonstrate a will-to-learn which far surpasses that of other students with the orthodox credentials."

"To men and women age 19 or older who have completed grade 10 and who have been out of school for one or more years, Loyalist College offers the opportunity to qualify for admission to any course for which a secondary school graduation certificate is the usual prerequisite."

Mammoth Centennial Parade Planned For This Saturday Morning

Draw for Pony and Street Jamboree Are Planned For Friday Night, Sept. 1st

A colourful Centennial parade is planned for this Saturday morning, September 2nd, sponsored by the Stirling Chamber of Commerce. A large number of merchants have floats ready for the event and others are entering walking personnel. A number of antique cars will also be in the parade.

Horse lovers of Stirling and district are in for a real treat. A number of horses, with riders in full western dress will be featured in the parade, which is scheduled to leave the Fair Grounds at 9.30 a.m. Citizens of Stirling and district are urged to turn out to view this colourful parade, which will be much larger than last year.

Riding in open convertibles will be such personalities as Stirling Centennial Queen and her two Princesses, Miss Land O' Lakes, Miss Tweed Snow Queen and the Hastings County Dairy Princess.

Prizes Awarded
A \$15.00 prize will be offered for the most original float; a \$10.00 prize for the best costume float, and a \$5.00 prize for the judges' choice.

A prize will also be donated for the best decorated mounted rider by the Chamber of Commerce.

Prizes for the best decorated bicycles and riders will also be awarded. First prize is \$5.00, donated by Rainbow Beauty Shoppe and 2nd prize, \$2.00, by Chamber Commerce.

Western Horse Show

Following the parade, a full programme of Western Games will be staged at the Fair Grounds, starting at 1.00 p.m.

Draw For Pony

All participating merchants have free draws on a pony and other prizes. Tickets are given with each purchase. The draws will take place at the four corners on Friday night, September 1st.

Street Jamboree
Planned

Prior to the draw for the pony and the other prizes donated by local merchants, a street jamboree is planned at the centre bridge on Friday night. If you can sing, dance, fiddle play a guitar, banjo, accordion or any other instrument, come along and join in the fun.

The merchants of the community have co-operated in advertising bargains. These are really good buys and residents are urged to take advantage of this Fair Week Sale.

Mrs. Bird is in good health and keeps in touch with current events. She received numerous gifts during the day.

Out-of-town guests were present from Fishers, Victor, Lancaster and Rochester, all in New York State; Hopler, Oswego, Wooler, Brighton, Carrying Place and Carman, Ont.

Dies At Northbridge

Lester Fraser, died Wednesday, August 23rd, 1967, at his summer home, Northbridge, Ont. He was in his 59th year. Mr. Fraser was the son of the late Mr. and Mrs. Major S. Fraser. He is survived by his wife, one son and four daughters.

Decision Umpires

(By Bob Taylor)

The S & D Young People selected a boys' team from their corps and came from behind to nip the Belleville District Umpires' Association, 6-5, in an exhibition softball game at the local diamond on Friday night.

Among some of the popular umpires were Senior hockey stars Wayne "Wiener" Brown and Eddie Marneau, of the World Champion Belleville McFarlands; also Al Kelleher, Lawrence Levesque, Widge Adams, Ray Lucas and Earl Rivers.

Judy McAdam H. S. Delegate

For the first time, the Student Council of the local High School has used part of its fund to sponsor a delegate to the annual Lake Couchiching Conference of the United Nations Association in Canada. Miss Judy McAdam, daughter of Mr. and Mrs. Bill McAdam, of R.R. 3, Stirling, was chosen to attend the Conference at Big Chief Lodge on Lake Couchiching. She went by train from Belleville last Saturday and will return on September 1st. She will have opportunities to participate along with other students in discussions on current affairs. It is the aim of the conference to inspire in students a continuing interest in and study of world affairs, and an appreciation of and respect for the culture and viewpoints of other peoples.

The Student Council is to be commended for its decision to use some of its money to make it possible for Stirling-Rawdon District High School to be represented at the conference.

Always Room For One More

The Senior Citizens met last Thursday with thirty-seven present. Three new kids joined our group: Mrs. Geo. Mumby, Mrs. Will Fitchett and Bessie Hollinger. Welcome, girls, and do come again.

Neva and Ernest Cain helped us celebrate Clifford's birthday by serving a swell lunch, including a birthday cake. Our greetings, Clifford, and the Club's thanks to you, Neva and Ernest.

Do you know, our Club has death benefits now. When we die we don't have to pay any more dues — really. As Ernie Munro and I were playing checkers, he remarked, "Do you know, in our Club we have some high struttin' 80's and a swell gang of 70's but what we need is more 'real snappy' 60's — females." I said, "I wonder, Ernie, look them over (it's your turn to move) and remember, some of our oldest are our youngest."

A Curious Citizen
Harold was sitting with his wife and he said, "Mary, I wonder what Senior Citizens talk about when they meet?" Mary said, "Oh, I suppose the same things we do." And Harold remarked: "My! Aren't they awful." (Our apologies, Mary.)

Scribe's Quota
Johnnie was asked by his teacher if he could tell the difference between a little boy and a dwarf, and he said, "There might be a lot of difference, for example, the dwarf might be a girl."

Bowling Tourney Last Saturday

A successful mixed doubles tournament, under the auspices of the Stirling Lawn Bowling Club, took place on the local greens Saturday afternoon and evening. Twenty teams participated, making a complete double draw. The draw was managed by Ted Barnard and Earl Fox and included six teams from Trenton, five from Belleville, four from Kingston, three from Stirling and one each from Madoc and Cobourg.

Three fourteen-end games were played and some keen bowling was witnessed. Mr. and Mrs. Orlie Smith, Belleville, were high three-game winners, while Earl Fox and Rosa Spry, Stirling, were second three-game winners. High two-game winners were Mr. and Mrs. El. Moses, Kingston. High one-game winners were Mr. and Mrs. Jack Avery, Belleville.

Cheryl was given a prettily decorated seat of honour and Mrs. Wilhelm presented her and her mother with beautiful rose corsages.

A splendid programme of contests, readings and singing was given by Mrs. Otto Bleodore, Mrs. Jack Bush, Mrs. Ken Morrow, Mrs. Glen Bennett, Mrs. Glen Brooks and Mrs. Vernon Harry.

Splendid Programme Arranged For Stirling Fall Fair This Weekend

Western Games To Be Featured — Good Midway — Dance on Saturday Night

The annual Fall Fair, sponsored by the Stirling Agricultural Society, is scheduled for Friday and Saturday of this week, September 1st and 2nd. The committee in charge of the various attractions has lined up a programme for appeal to all, and indications point to it being one of the best ever seen locally.

In preparing the programme, the committee has ever kept in view that the Fair is primarily for the agriculturists of the community and has endeavoured to make it of particular interest to farmers. However, the urban dwellers have not been overlooked and there are many items that should appeal to them as well.

It is the hope of the Society that the citizens of Stirling and community will show their appreciation of the efforts put forth by the directors by giving their wholehearted support to the Fair, not only with their attendance, but by competing in as many events as possible.

Acknowledgement Donations

The directors desire to thank the citizens of Stirling and Hastings County who, by their generous donations, have assisted them in arranging for this year's Fair.

Copies of the prize list may be obtained from R. E. Shortt, Secretary, or at the News-Argus office.

Light Horses

Featured

All of the familiar events are again on the agenda and a good afternoon's entertainment is promised for Saturday, September 2nd.

Light horses will again be featured with many of the classes shown in front of the grandstand. This event proved very popular at last year's Fair and a large exhibit of horses is expected.

There will be races for small ponies and a musical chairs competition open to ponies.

Good Exhibits

There will also be the usual good horse and cattle exhibits, as well as sheep and swine. In the main building will be found the ladies' work exhibit, cheese exhibit, High and Public School exhibits and the Horticultural exhibits.

LOYALIST COLLEGE

"I am pleased to announce that when the terms open September 11th, Loyalist will be the first College in Eastern Ontario to offer a course in Municipal Administration. The course is aimed particularly toward young men who wish to become assessors. To our knowledge, there are more than 1,000 openings for licensed assessors in municipal offices alone, and certainly a number of other rewarding avenues are open to professionally qualified people. Those who register now, and successfully complete the two years of academic work, plus one year of practical work, will qualify for their full Municipal Assessors Licence issued by the Department of Municipal Affairs."

A. H. MCFARLANE,
Director of Student Services:

"Many men and women who do not have a secondary school graduation certificate are capable of completing successfully a wide range of college-level courses. Thousands, in fact, have done so. Placed in appropriate courses, these "mature matriculants" frequently demonstrate a will-to-learn which far surpasses that of other students with the orthodox credentials."

"To men and women age 19 or older who have completed grade 10 and who have been out of school for one or more years, Loyalist College offers the opportunity to qualify for admission to any course for which a secondary school graduation certificate is the usual prerequisite."

John Morgan, Mrs. Grant Hubble and Mrs. Oscar Merrick enjoyed the Horticultural Garden Tour on Monday, August 14th.

Rev. W. C. Cox was in charge of Church Services on Sunday, August 20th, on Rawdon Charge, following a month's holiday.

Mr. and Mrs. Harry Downs, Trenton, entertained on Wednesday evening at their cottage, Oak Lake. The guests included Mr. and Mrs. Edgar Applegate, Ohio, U.S.A.; Mr. Harold White and Mrs. Marguerite McMullen. Mr. Downs entertained the group with numerous movie pictures.

Mrs. W. J. Cullen, Gagetown, New Brunswick, spent last week with her father, Blake Sharpe and brother, Bert. On Sunday evening a family party was held at the Sharpe home in lieu of a gathering at Christmas. Anna also attended the afternoon church service and renewed acquaintances.

MR. AND MRS. JOHN FRANCIS LONG LONG — DESROCHERS WEDDING

A pretty summer wedding took place on Saturday, August 19th, 1967, at 10 a.m. at St. James the Minor Church, Stirling, when Linda Ann Desrochers, daughter of Mr. and Mrs. Omer Desrochers, Stirling, became the bride of Mr. John Francis Long, Kingston, son of Mrs. John Francis Long and the late Mr. Long, Frankford. Rev. Father J. M. McGarvey officiated. Mrs. Carl Pitman was organist and accompanied the soloist, Miss Roseanne McAvoy. Given in marriage by her father, the bride looked demure in a floor-length empire style gown of sheer white silk organza over taffeta with panels of Chantilly lace emphasizing the front and the cap sleeves. The detachable train, caught to the

shoulders was also trimmed with panels of lace. Her three-tiered scalloped silk illusion veil was caught to a crystal headpiece. Her bouquet was a semi-cascade of pink Delight roses and stephanotis.

Miss Susan Desrochers, maid of honour and Miss Nancy Desrochers, bridesmaids, both sisters of the bride, were dressed in street-length princess style gowns of rich peacock blue. Their lily-of-the-valley headpieces featured small illusion veils. They carried semi-cascade bouquets of pink pom pom 'mums.

Mr. Michael Long, brother of the groom, was groomsman and the usher was Mr. Robert Noble, Stirling. The reception was held in the St. Lawrence Recreation Hall.

The bride's mother received her guests in an empire style gown of pink crepe with white accessories and a corsage of white carnations.

The groom's mother assisted in a gown of aqua crepe with lace jacket aqua accessories and a corsage of pink and white carnations.

For the wedding trip to Eastern points, the bride donned a sleeveless buttercup yellow skimmer with black patent leather accessories and corsage of white carnations.

They will reside in Kingston.

The roof of an average house can be erected in just two hours, by only three men. Rugged light-weight trusses can be handled easily by two men.

SAVE MATERIAL

Trusses are spaced 24" o.c. instead of 16" o.c. as in conventional roof framing. Yet because of their great strength, they easily handle abnormal snow loads.

Donohoe-Burkitt Wedding

St. Mark's Anglican Church, Bonarlaw, Ontario, was the setting for the marriage of Sharon Geraldine Burkitt, daughter of Mr. and Mrs. Gerald Burkitt, Bonarlaw, and Robert Lee Donohoe, son of Mr. and Mrs. Don Donohoe, Stirling, on Saturday, August 26, 1967, at 1 p.m. The officiating clergyman was Rev. Stewart, Mrs. Gary Wright, Bancroft, was organist and accompanied the soloist, Mrs. David Bell, Tara, Ont. The altar was adorned with ferns and baskets of mauve and white phlox.

Given in marriage by her father, the bride was winsome in a white, floor-length gown of imported peacock-fall, featuring an Empire bodice, A-line skirt and complemented by an ottoman A-line coat with long, tilly-pointed sleeves and accented by a chapel-length train. French hand-stated grape design appliques flattered the skirt front and coat back. Her hairdress was a profusion of lace and organza petals edged with seed pearls and centred with Bavarian crystal diamens from which flowed a four-tiered silk illusion scalloped veil. Her bouquet was yellow roses and white stephanotis.

Her attendants were maid of honour, Miss Shirley Burkitt, matron of honour, Mrs. Paul Hollins and bridesmaids, Jo-Anne Burkitt and Connie Donohoe. All wore floor-length sheath gowns of lilac chiffon over

peau D'Ange featuring Empire waistlines of Guipure lace and swinging panels caught to the waistlines. Their headpieces were of tulle petals centred with tiny flowers and over-the-face veils. Cascade bouquets of yellow shasta daisies fastened with lavender velvet ribbon completed their ensembles.

The flower girl, Lynn Tice, cousin of the bride, wore a white floor-length gown with lavender ribbon trim.

The ring-bearer was Greg Terrior, nephew of the groom.

Mr. Joseph Hagerman, Oshawa, performed the duties of groomsmen. Ushers were Donald Burkitt, Paul Rollins and Paul Rose.

The reception was held in the Havelock Hotel banquet room.

The bride's mother received her guests wearing an eggshell sheath with three-quarter length lace overcoat. Her corsage was Orange Delight roses.

The groom's mother assisted wearing a powder blue linen sheath with lace over-jacket. Her corsage was Pink Delight roses.

For the wedding trip to points in the U.S.A., the bride donned a two-piece mustard fortrel-knit suit with black accessories and a Cymbidium Orchid corsage.

On their return, they will reside at 5A King George Sq., Belleville. Out-of-town guests were present from Oshawa, Port Credit, Toronto, Clarkson and Cooksville.

Previous to her marriage, the bride was entertained at the follow-

ing: Miscellaneous showers at the homes of Madge Clarke, Campbellford, Mrs. C. McKeown, Bonarlaw, and Mrs. H. Mumby, Spring Brook; presentations from co-workers of Sharon, at Lombank Finance, Campbellford, and from co-workers of Bob at Canadian Flight Inc., Trenton, and from a "stag" party at the Rod and Gun Club, Frankford.

Chris Sayers Sets Hurdles Record In Junior Track

(Globe & Mail)

In most track and field meets, qualifying heats are usually a jog for the talented few who prefer to conserve their strength and energy for the finals.

So, it was strange to see highly regarded 15-year-old Chris Sayers, of Don Mills, race full out in the qualifying heat of the 110-yard hurdles Friday, August 18th, at Birchmount Stadium.

The effort paid off with a Canadian open and native midget record of 14.3 seconds, easily erasing the previous mark of 14.9 set last year by Bruce Gabert, of Saskatoon.

Sayers' performance was the highlight of the afternoon portion of competition in the Eastern Canadian junior championships, which concluded Saturday.

"He ran hard; he wanted the record," said Sayers' coach Lloyd Percival. "He thought the track might be muddy for the final."

Thick, black clouds hovered over the east-end track for much of the afternoon but only a few light showers fell, not enough to affect the crushed-stone surface.

Sayers has a muscular 170 pounds on his 6-foot frame and has great potential to be a world-class hurdler and a decathlon performer, Percival feels.

"He's built for hurdling and I think he'll be a good one at the quarter-mile level."

To develop Sayers at that distance, Percival has had him running 440-yard events. Sayers easily won his qualifying heat in that event.

As for tackling the decathlon, rated track and field's most gruelling test, Sayers has all the physical attributes.

"He's not only big and strong, he's fast."

Percival said he won't test Sayers' strength in the field events until next year. He doesn't want him touching the shot put or the javelin until he develops more in the track events. Fred Sayers, Toronto. Mrs. Sayers was the former Marion Graver, Stirling. Chris is a son of Mr. and Mrs. Ling.

The dead classroom

A startling and proven fact: one classroom of high school students is wiped out every week because of car accidents.

It is an unbearable statistic, but true. More young Canadians are killed in automobile accidents than by any other cause.

Young drivers as a group are involved in more automobile accidents than any other drivers. This is the simple reason insurance rates are higher for them.

We, in the automobile insurance industry, provide training courses, bursaries and technical assistance to high school instructors to help them teach safe driving to their students.

Students who pass approved high school driver training courses earn lower insurance premiums.

At present, only 14% of high schools across Canada have these driver training courses.

Parents, teachers — just ask yourselves: Must a classroom be wiped out next week?

You can help prevent such tragedies by supporting driver training programmes in your community.
